# *Invited Guests*

## **BAILEY BURNOS**

**HOTEL OWNER**

Bailey Burnos purchased the old Bateman Hotel a few years ago and poured blood, sweat, and tears into the restoration. The first anniversary of the reopening is quickly approaching. An insatiable art fanatic, Bailey is socially awkward and often stares into space. Eccentricities aside, s/he is quite business savvy, nevertheless. A dedicated workaholic, Bailey lives in the hotel on the 15<sup>th</sup> penthouse floor.

## **DEVIN DRACOVIA**

**HOTEL MANAGER**

Devin Dracovia is the mean-spirited manager of the Bateman Hotel. The staff of the hotel will do whatever they can to avoid Devin, but s/he always gets the job done—no matter what it takes. However, Devin's nose has poked around corners it doesn't belong lately, and many people are not happy about it. Devin lives in the hotel on the 2<sup>nd</sup> floor.

## **HARLEY GRANGE**

**RESIDENT OF THE HOTEL**

Harley Grange is the schoolteacher with a dark, hidden past. Harley recently signed a lease to become a permanent resident of the Bateman Hotel and even requested to live in one of the most haunted rooms in the establishment—room #614. Rumor has it that Harley steals from the hotel because s/he doesn't have money.

## **TRISTAN BLADE**

**ART DEALER & HOTEL GUEST**

Tristan Blade is the hipster art dealer who acquires and sells the most lifelike bronze sculptures you've ever seen. There are rumors that Tristan's pieces have auras – some good, some mischievous, and some downright evil. Bailey has recently acquired one of Tristan's sculptures and in return, has given Tristan a free night's stay at the hotel. Tristan was the previous owner, as his/her family built the Bateman Hotel back in 1864.

## **MORGAN MEEPMAN**

**HOTEL CHEF, PHANTOM STEAKHOUSE**

Morgan Meepman was released from prison recently after doing a stretch behind bars for performing illegal human subject research with a group of underground biochemists. The cousin of the hotel's new owner, Morgan was hired as the head chef of the hotel's critically-acclaimed restaurant – Phantom Steakhouse. Morgan lives in the hotel on the 6th floor.

## **RYAN ASHLORE**

**HOTEL HOUSEKEEPER**

Ryan Ashlore is the nosy head housekeeper of the Bateman Hotel. On the surface, Ryan appears to do a great job, as the hotel is well-maintained. However, many sources say that Ryan has a malicious quality that s/he keeps veiled. It's probably best to stay on Ryan's good side, nevertheless.

### **QUINN BLOOM**

**ANTIQUA DOLL COLLECTOR & HOTEL GUEST**

Quinn Bloom was invited to the hotel by Bailey Burnos for a private showing of Quinn's rare dolls. Quinn deals with unusual, hard to find dolls – some rumored to be linked with malevolent cultural traditions that should not be dealt with by civilized people. Nonetheless, Bailey is an art collector – of all forms - and will not be outdone...by anyone.

### **JUSTICE JAMES**

**HOTEL BARTENDER, BLACK RAVEN LOUNGE**

Justice James is the charming bartender at the Black Raven Lounge of the Bateman Hotel. Justice is friendly, accommodating and will do anything to make customers happy. However, Justice behaves as though s/he has a secret agenda, an ulterior motive. The question is...what is it? Justice is good friends with Morgan Meepman and lives on the 12th floor of the hotel.

### **DREW EVERMORE**

**HOTEL JAZZ SINGER, BLACK RAVEN LOUNGE**

Drew Evermore is the enchanting jazz singer for the Black Raven Lounge of the Bateman Hotel. Drew's voice is captivating and easy to get lost in—many guests have reportedly lost hours after listening to one of Drew's sets. Drew is an old soul—an avid historian—and knows a lot about the history of the old hotel.

### **RIVER AUGUST**

**HOTEL CONCIERGE**

River August is the prim and proper hotel concierge at the Bateman Hotel. River will do whatever s/he can for well-to-do guests but tends to be unavailable to the customers who might not have money for big tips.
