ABILITY TO PLAY WITHOUT HOST SPOILERS

You will need someone to prepare your kit for you. The host instructions are safe, and do not contain spoilers, so it is possible to host without knowing the culprit (and victim in murder games).

Choose the '**Party Ready**' option of the drop-down box during purchase for a spoiler-free kit. Otherwise, you will need to fold and insert cards into envelopes. The rounds 2-3 cards will contain spoilers. Assembly is ~ 15 minutes if not party ready.
