CHARACTER	BRIEF BIO	COSTUME SUGGESTIONS
<b>KURT DARRY</b> <i>Member of the D-Birds</i> Optional Male	Kurt Darry is one of the youngest members of the D-Birds. Kurt always has a nervous, suspicious look in his eyes and is untrusting of others - even fellow gang members. Kurt has been <i>in the wrong place at the wrong time</i> many times before and is no stranger to becoming a victim of the rival gang. Kurt has spent a lot of time and energy lately focusing on a revenge plot against the Pit Vipers.	White t-shirt, rolled blue jeans and an optional leather jacket that says 'D-Birds.' Optional to have a fake 'black eye' and Band-Aids on your face.
<b>LAURA VAN DYKE</b> <i>Class Representative, Tuscadero High School</i> Optional Female	Laura Van Dyke is the ambitious Class Representative of Tuscadero High School. She doesn't condone gang-related activity within the school grounds and participates in active campaigns to clean up the hallways of Tuscadero High. Most of the gang members at school cannot stand the ground that Laura walks on, so she watches her back carefully.	Conservative 1950s attire. Hair in a high ponytail with a scarf or if short, in pin curls.
<b>PINKIE RAMALAMA</b> <i>English Teacher, Tuscadero High School</i> Optional Female	Pinkie Ramalama is the beautiful yet brazen English teacher at Tuscadero High School. Pinkie has a rough and tough exterior, but once you break through her barrier, you'll see her shining heart of gold. She would do anything she could for her students - but that might be because she was one of them only three years ago.	Glamorous 1950s attire (sequined poodle skirt, etc.) Hair in a high ponytail with a scarf or if short, in pin curls. Black satin jacket (optional).
<b>BO CHUKO</b> <i>Member of the Pit Vipers</i> Optional Male	Bo Chuko is the feisty Pit Viper who terrorizes the streets of Fontaine City. Bo only attends school half of the time, as he's often under suspension for fighting, vandalism, or disrespecting authority. Bo is unpredictable and habitually gets into heated arguments with Theo Valmudo when he doesn't agree with things.	White t-shirt, rolled blue jeans and an optional leather jacket that says 'Pit Vipers'
<b>EUGENE FATDOCH</b> <i>Math Club President, Ryder High</i> Optional Male	Eugene is a naïve nerdy guy who is often bullied by both the Pink Chicks and D-Birds. Not a jock or a popular kid, Eugene does his best to fit in and doesn't let his peculiar appearance and riotous laugh deter him from being part of groups. Eugene is always smiling, even though he suffers more hardships in the hallways of Ryder High than most kids.	Nerdy '50s attire. Baseball cap, plaid bow tie, short-sleeved button up and high-water pants.
<b>JANICE PLAINBORN</b> <i>Member of the Pink Chicks</i> Optional Female	Full of energy, chatty and always eating, Jan Plainborn is one you cannot ignore. She's bossy and tries to act more mature than her years, but she has nobody fooled. Jan is after the leadership of the Pink Chicks, but Bonnie Frizzo would never allow her to take over the club.	'50s attire and any type of pink satin jacket (optional). Hair in a high pony tail with a scarf or if short, in pin curls.
