

## CHARACTER LIST FOR THE HOST

All costume suggestions are 'masquerade formal' and a masquerade mask. As an alternative, ask your guests to dress in normal cocktail party attire with a masquerade mask – or – let them pick a costume true to their character! The sky's the limit and there is no right or wrong way!

There are 6 players, all optional (1f, 2m, 3either). They may be played in any combination.

Your new guest pre-game site that includes these players is:

*Police Officers*

*Optional Either*

*\*Can be expanded to up to 15 (M/F) characters to play as police officers.*

**Expandable Teams:** This game add-on has 6 expandable players. This means all players in this expansion pack are designed to have an optional team with them during the game. It's as if you were invited to a party and decided to bring along your friends/colleagues. What would you speak to the other guests about if you attended a party with your friend? You'd have the mutual acquaintance in common, so that's what you'd talk about!

In other words, if the character is an actor, such as Jon Volta, they can have a team of up to ~15-20 members of their entourage with them. The team's cards will have the information/clues Jon Volta, and that is what they use to play with in the game – they all have the same back story. The expandable players all have duplicate cards, but are in the game just like everybody else otherwise. This is a great way to host large events and still give everyone a role in the game. If you are hosting a party for 100-200 people, you would not want 100-200 story lines to sift through once the mystery occurs. That's a nightmare. This enables you to grow your guest list without adding chaos to your game.

### **Here's the breakdown of how to host a large game (see character lists below for details):**

- 18 unique players from the main game.
- 5 unique players from expansion pack #1 (purchased separately)

**TOTAL PLAYERS: 24 unique player roles and 120 expandable team players when the expansion pack is purchased = 144+ on your guest list.**

*There's a + there because you can add more than 15 on each team if needed.*
