## SYNOPSIS – THIS SHOWS YOU THE FLOW OF THE PARTY

A master of deception, the reclusive Christopher Clause tricked many people into attending what he referred to as the 'most wondrous party of the year.' After everyone arrived at Clause Manor, Christopher had his staff lock the guests inside with no chance of escape. The partygoers were shocked to see Christopher, wearing a Santa suit in a faraway location, pop onto a monitor in the living room. He warned that someone would be leaving in a coroner's bag!

The eccentric millionaire was a mastermind and had selected the guest list meticulously. It wasn't long before tempers flared inside of the holiday pressure cooker while they worked on Chris's demented riddle. There wasn't much surprise when a dead body emerged, and a killer lurked among them.

Christopher popped back on the monitor, laughing and cheering with delight. His twisted plan had fallen into place. He gave another riddle for the guests to solve and announced that he would be contacting the authorities. He cautioned that all attendees would be a suspect in this murder if they didn't find the killer before the red and blues swirled in the front driveway.

The guest scurried about, interrogating each other until they could turn over no more stones. Once they found the killer, the detainees were able to leave the manor, never to speak of the night's events again.

# Host Instructions

**GENERAL HOSTING:** during the party, your job as the host is to make sure the rounds flow correctly. As the host, you may choose to play any character you wish. You will pass out the clue cards to the guests at the appropriate times. As the mystery progresses, check on your guests to see if they are discussing the clues and implementing tasks on their clue cards (some players may have tasks). Encourage them to mingle with the other players, and not to rush anything. It's all about gossiping and sharing secrets! They should speak to every other player at least once during each round. Your guests are playing a character role, so they should embrace their character's lack of integrity and motives. With that said, if you opt to do the optional money challenge, you can instruct the guests to hold back secrets for money (see the bonus activity instructions for more details).

**THERE WILL BE FULL INSTRUCTIONS IN THE PURCHASED GAME.**

SAMPLE

**GAME STRUCTURE:** the game is organized into four rounds and is structured as follows:

**OPTIONAL PRE-GAME STARTER:** these optional pre-game tasks are to be delivered to each guest before the party or give them to the guests as they arrive. All pre-game materials are optional. They are intended to enhance the buildup for the event. These tasks are not vital to solving the mystery. Also, encourage your guests to view the Your Mystery Party guest pre-game website to get them excited about your game (this is highly encouraged).

**ROUND ONE:** Deliver the round one clue card envelopes as your guests arrive. It is optional to serve cocktails for adults and appetizers.

**ROUND TWO:** Deliver the round two clue card envelopes. It is optional to break for dinner either before or after this round.

**SOLUTION ROUND THREE:** Deliver the round three solutions. It is optional to serve coffee/hot cocoa and dessert.

Don't host a party without some type of food/beverage offering - hungry guests are not happy guests.

SAMPLE

## Example Timeline

**7:00 PM:** Guests arrive. Take guest photos and serve refreshments. Have the invited guest list available for the guests to view as they trickle into the party. Once everybody has arrived, snap a group photo!

**7:10 PM:** The host goes over the guest instructions for the mystery game. It is optional to have each character stand up and introduce themselves to the group.

**7:20 PM:** Play video #1.

**7:25 PM:** The guests will work on Chris's riddle #1.

**7:35 PM:** The round one clue cards are handed out, and players mingle and discuss the clues on their clue cards in private or semi-private conversations. Motives will start to unfold during this round.

**8:00 PM:** An optional bonus game is played.

**8:15 PM:** An optional dinner is served. Snacks can be served throughout the party instead.

**8:45 PM:** The round two envelopes are handed out, and the guests mingle about with their pre-murder clues in private/semi-private conversations.

**9:00 PM:** The victim is revealed, and video #2 is played.

**9:05 PM:** The guests will work on riddle #2.

**9:15 PM:** The investigation begins. The investigation sheets are handed out, and the players interrogate each other (using the post-murder clues). Each guest should interview every player in the game and discuss all clues. This is not a time to keep secrets! A murderer is on the loose!

**9:30 PM:** The forensic report is revealed.

**9:35 PM:** The investigation sheets (guesses of whodunit) are turned in to the host. After the sheets are collected, the guests may take turns accusing who they believe did it.

**9:50 PM:** Dessert and coffee may be served at this time. The round three solutions are handed out to the guests. Each player presents their solution, and the murderer confesses at the end. Allow a few minutes for the guests to mingle at the end to discuss the mystery.

**10:10 PM:** Another optional bonus game may be played &/or host an optional awards ceremony!

*To shorten the mystery party, omit the bonus games, don't stop for dinner, omit the accusation round, and don't host an awards ceremony. Also, you can shorten the game even further by only having the required players read their solutions (or even just the murderer). If you wish to extend the length of the party, add more bonus games!*

**Contact Character Y and say the following:** You

cannot sue me over making a business decision.

Please spare me the empty threats.

**CONTACT INFO:**

**Respond to Character L and say the following:**

No. It was an *act of nature*, so my insurance policy will not cover it. Therefore, you do not get to earn money off a natural catastrophe. It didn't fall from being dug up – it fell over during a thunderstorm.

**(IF CHARACTER L FAILS TO CONTACT YOU, SKIP THIS TASK.)**

### **CHARACTER H – ROUND ONE**

#### **CLUES TO REVEAL AND DISCUSS WITH OTHERS:**

- 📖 Tell everyone that you don't think character K is friendly enough to work in retail.
- 📖 Speak to others about what they think about Christopher Clause. Why would he invite a bunch of people to his home, lock everyone inside, and watch from television monitors? Seems quite creepy.
- 📖 Speak to Character P and say that your husband told you he lost a huge account and might need to start looking for another job. Is this true? If so, that is devastating. Tell him you understand his family is away visiting relatives, but you wish them well.
- 📖 Congratulate Character S for winning the national fencing championship again (for the fifth year in a row). She's amazing with a sword!
- 📖 Talk about how Character B owns a rental property next door to your home on the lake. His landscaper dug up a huge palm tree and accidentally let it fall on your pagoda. It did a ton of damage. He owes you \$2800.00. He refuses to pay!

#### **CLUES THAT YOU MAY CONCEAL IF YOU WISH**

- 📖 You despise Character B. What kind of person damages another person's property and doesn't own up to it?
- 📖 Character Y is a mean person and overly decorates her home during Christmas so she will win the neighborhood decorating contest. Her home looks tacky with thousands of colorful Christmas lights!

**HERE IS AN EXAMPLE CLUE CARD FOR ROUND ONE. NAMES HAVE BEEN REMOVED TO MINIMIZE SPOILERS. HOWEVER, DON'T READ THE CLUES IF YOU WISH TO KEEP EVERYTHING A SURPRISE. (THIS DOES NOT REVEAL THE KILLER OR VICTIM, BUT DOES SHOW EXAMPLE CLUES OF THE MURDER.)**

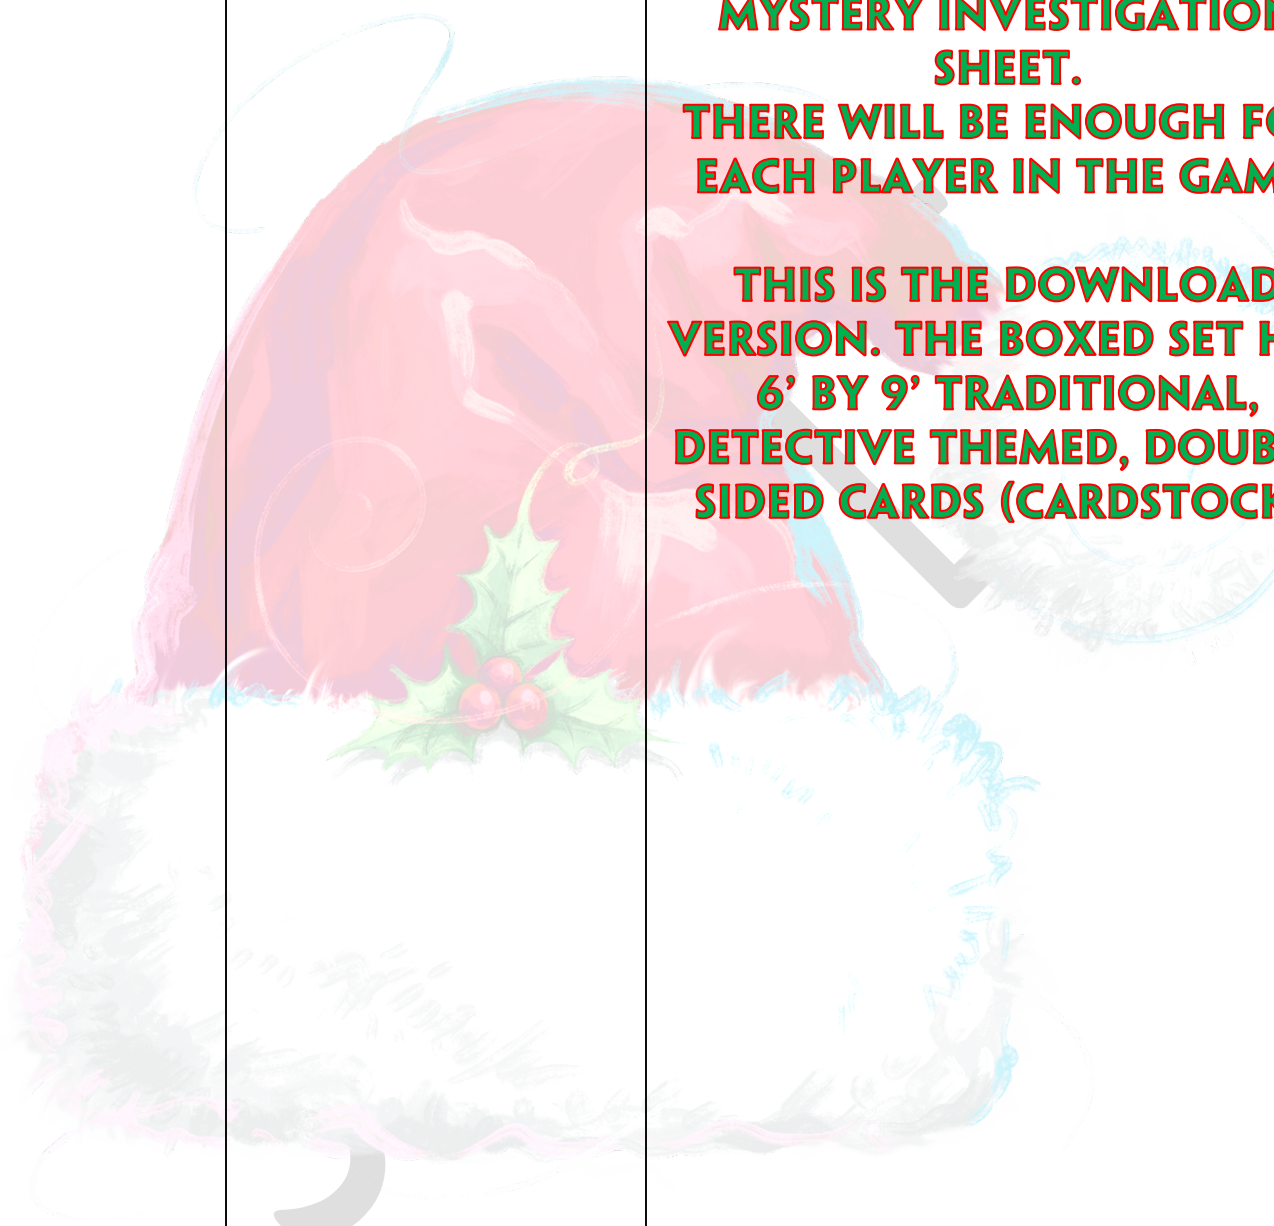

### **CHARACTER N – ROUND TWO**

#### **PRE-MURDER CLUES:**

-  You just found out that Character G is purchasing the *House of Slapstick*, which is the local comedy club you perform at every weekend. This is dreadful news. That means you must move out of Christmas Hollow and find a new home base. You are about to start going on tour with a comedy troupe, but you liked the steady and stable income from your local weekend gigs while not on tour. Alas, you suppose *it's on to the next chapter* for you.
-  Ask Character T why her company is publishing an autobiography about one of the worst people alive today.

#### **POST-MURDER CLUES:**

-  You noticed the murder weapon earlier. It was on the coffee table in the main party room (living room).
-  You were looking through Christopher Clause's closet during the time of the murder. You just wanted to see how many designer clothes he had. You toured around the mansion, as well. The place is super nice.
-  You did have a motive to kill the victim. Revenge.
-  Christopher Clause is an evil mastermind, but he didn't murder the victim. Christopher is a disgrace to the Santa suit.
-  The murderer will lie. Concentrate on the hard facts.
-  The murderer was physically fit to pull off a murder such as this. It took some brute strength.

<b>SUSPECT</b>	<b>MOTIVE</b>	<b>EVIDENCE</b>
		<p><b>THIS IS AN EXAMPLE OF THE MYSTERY INVESTIGATION SHEET.</b></p> <p><b>THERE WILL BE ENOUGH FOR EACH PLAYER IN THE GAME.</b></p> <p><b>THIS IS THE DOWNLOAD VERSION. THE BOXED SET HAS 6' BY 9' TRADITIONAL, DETECTIVE THEMED, DOUBLE-SIDED CARDS (CARDSTOCK).</b></p>

**YOUR GUESS OF WHODUNIT**

**HERE IS AN EXAMPLE SOLUTION CARD FOR ROUND THREE.  
SOLUTION HAS BEEN REMOVED TO PREVENT SPOILERS.**

**CHARACTER K – ROUND THREE**

**PRESENT YOUR SOLUTION AFTER CHARACTER  
P**

**When it is your turn, read the following  
solution to the group:**

The solution for this character will be given here. They will take turns reading (presenting) their solutions to the group, and the murderer will be last to confess.

**THE NEXT PERSON TO READ THEIR SOLUTION CARD  
IS: **character D****
