

HOST CHARACTER LIST

There are 5 players all are *flexible gender* and optional.

NAME OCCUPATION	BRIEF BIO	SUGGESTED ATTIRE	GUILD
<p>AURO BANE <i>Vice President of the Potions League, Charmstone Academy</i></p> <p>Optional player</p>	<p>A member of the most intelligent and hardworking group at Charmstone Academy, Auro Bane is a member of the Grimm Guild and serves as the Vice President of the Potions League. An 11th-year student, all Auro wants to do is have their nose in books to soak up as much information as possible. Auro is consumed with being the head of any class and will be the first to raise their hand when the professor asks a question. Auro is easily the most knowledgeable student at Charmstone Academy. For this reason, Auro is a bit socially awkward and nerdy. Auro has no sense of fashion or style but says it's all a waste of time.</p>	<p>Witch or wizard dress robes with a touch of 'nerd.' As props, you can have some test tubes/flasks with 'potions' in them aka: food coloring in water.</p>	
<p>SPRIVEN STONETAIL <i>Member of the Potions League, Charmstone Academy</i></p> <p>Optional player</p>	<p>Spriven Stonetail is the boisterous student of the Enorim Guild and a member of the Potions League. A 10th-year student, Spriven has shown to be a bit of a troublemaker and not that strong of an academic. Spriven has led some of the underclasspersons into precarious situations and has recently caused some trouble for the Potions League. However, Spriven is charming and can talk their way out of anything. Spriven was a child actor and starred in many movies of the magical community, so it's difficult for Spriven to do anything sneaky without being caught, as everyone knows who they are!</p>	<p>Witch or wizard dress robes and hat. As props, you can have some test tubes/flasks with 'potions' in them aka: food coloring in water.</p>	
<p>SHADE SHADOW <i>Member of the Sodarín Guild, Charmstone Academy</i></p> <p>Optional player</p>	<p>Shade Shadow is the most likable member of the ever-intimidating Sodarín Guild. Many people say that Shade was sorted into Enorim, but their parents bribed Bellatrix Alatar for Sodarín. This is a rumor, so it will never be known one way or the other. Shade isn't like the other Sodaríns and gets along with the Velorians - as well as all students at Charmstone. Shade isn't the least bit intimidating and strives to be a standup comic in Magus Hollow's amateur comedy club, Laugh Shack, after graduation.</p>	<p>Witch or wizard dress robes and hat.</p>	

<p>OMNI FORGE <i>Vice President of the Dark Craft Society, Charmstone Academy</i></p> <p>Optional player</p>	<p>A dedicated member of the Sodarín Guild, Omni Forge is a 12th-year student running for the Magical Commissioner of Magus Hollow vacancy. The commissioner's office has the responsibility of budgeting the infrastructure of the magical community. It will be a great power to have for such a young mind, but with the Forge family connections - the election has already been won before the voting. Omni plans to win the election a month from now and start their career straight out of graduation from Charmstone Academy. It's rumored that Omni has founded a crime ring of students who wander the main corridor, committing petty crimes. This mobster mentality will not stand, but Omni is clever about never leaving evidence.</p>	<p>Witch or wizard dress robes.</p>	
<p>VOLOS DAWN <i>Dormitory Monitor of Grimm Guild, Charmstone Academy</i></p> <p>Optional player</p>	<p>Volos Dawn is a 12th-year student at Charmstone Academy and a member of the Grimm Guild. Each dormitory of the castle has a student assigned to monitor the entry and exit logs of the dorm atrium, as all access is logged. Volos is best pals with Jadis Westrum and would do anything for them - including schoolwork and chores. Since Jadis became the Grand Supreme Student, they haven't had time for anything, so Volos has taken up the slack.</p> <p>Volos is very loyal and dedicated to the Grimm guild and would do anything to protect their classmates.</p>	<p>Witch or wizard dress robes. Make a badge with Dormitory Monitor as an optional accessory.</p>
