EMPLOYEES OF WORLDWIDE PRESTIGE

JASMINE AURORA

Interim Chief Executive Officer

This domineering interim Chief Executive Officer at Worldwide Prestige slips by with minimal hours and nominal efforts but can morph into a horse of a different color the moment she faces a board member. A self-riotous hypocrite who's on a beach more than work, Jasmine rules with an iron fist. She has demoted and even fired employees over minuscule violations. Stay on Jasmine's good side if you want to keep your job!

MISTY RAINBOW

Director of Employment

Hide the corporate ladders! Misty Rainbow is the ravenous ladder climber of Worldwide Prestige. Only six months ago, she landed a gig in the mailroom, but she has clawed and connived her way to a lucrative and powerful position of Director of Employment in Human Resources. Moody and insensitive, she's anything but trustworthy. Some say she'd push her Granny in front of a train if it meant a raise and a more prestigious title!

STONEY OXADODDY

Chief Operations Officer

Stoney Oxadoddy has journeyed a scandal-tinged path to the position of Chief Operations Officer. Stoney began as a low-level manager. In a record five years, this powerhouse bulldozed a path to the executive offices. Many of Stoney's promotions happened after discoveries of huge blunders in paperwork. After catching an error and saving the company from a 20K loss, Mr. Wilde promoted Stoney to the open COO position! However, Stoney may have made the original error, but blamed it on superiors! Never turn your back on Stoney!

CALYX LOVAGE

Executive Assistant to the CEO

Calyx Lovage is the grumpy executive assistant to the Chief Executive Officer. Calyx openly suffers from a lack of confidence and low self-esteem. These personality deficiencies have made Calyx's career stagnate. The grapevine gossipers say that Eric Wilde recently discovered that Calyx fabricated a resume to get the executive assistant spot a couple of years ago. Nobody knows the outcome of that scandal, as Mr. Wilde is missing and Calyx is still proceeding as usual.

QUINCE FROST

Chief Financial Officer

Quince Frost is the mysterious Chief Financial Officer at Worldwide Prestige. Quince lurks in the shadows of the halls avoiding contact with others. If you send an email to Quince, get ready to answer your phone, as this CFO refuses to put anything in writing. Quince is elusive and will not give a straight answer or opinion on matters at hand. Some believe that Quince is up to no good.

MUGWORT BUTTERCUP

Executive Director of Internal Audit

Mugwort Buttercup is the tenacious Executive Director of Internal Audit at Worldwide Prestige. Reporting directly to the board, Mugwort struts around the company as privileged royalty. Mugwort's team exudes firm control over all aspects of financial compliance and employee relations. Mugwort takes the job seriously and often drives by employee homes to document how they're spending money. If Mugwort believes they are living above their means, a full-blown investigation ensues!

ROCK IVY

Chief Administrative Officer

The Chief Administrative Officer at Worldwide Prestige is Rock Ivy. One minute Rock's a friend talking about last weekend's fishing trip and the next - he's screaming at you over a typo on a daily memorandum about Hawaiian shirt day! You never know which Rock you'll face, so employees only visit his office as a last resort! To no surprise, Rock doesn't have real friends, so he mandates that his staff attend get-togethers at a local bar every week. He makes it clear if one skips the weekly festivities, one pays for it dearly on Monday!

STORM WORMWOOD

V.P. of Human Resources

The award for the most nauseating employee at Worldwide Prestige goes to Storm Wormwood. Storm was a lady's shoe salesman at Macy's Department Store before landing the prestigious title of Vice President of Human Resources at Worldwide Prestige. Not even Sherlock Holmes himself could sleuth how Storm pulled that feat off! A smooth talker, Storm can worm his way out of any situation.

RIO FOX

V.P. for Public Affairs

Please hold. I'll get right back to you on that. I'll have to call my father and ask what he thinks about it first! Rio Fox, the charismatic Vice President for Public Affairs, secretly calls his father for advice about everything. Rio doesn't tie his shoe unless his dad instructs him to do so.

BLAZE WINTERS

V.P. of Research

Blaze Winters is the obnoxious Vice President of Research. Lacking a filter for voice volume and content, he speaks his mind without a care in the world. A long-timer at Worldwide Prestige, Blaze is anything but tolerant of new staff members. He's not ashamed to let them know how he feels. Otherwise, Blaze is amicable, but has a short fuse – so keep the sparks at bay!

BASIL MAPLES

Senior Legal Counsel – Litigation and Legal Policy

Basil Maples is the abrasive senior legal counsel for Worldwide Prestige. He leads the Litigation and Legal Policy Department by intimidation and thrives on the sweat of those who fear him. Watercooler gossips claim that Basil finished his law courses online during work hours while he was the Director of Marketing. During that time, he allegedly bullied his employees to cover 100% of his responsibilities – even personal ones like picking up his laundry, going to the grocery store, picking up his family from the airport, etc. Must be nice to collect a nice paycheck while attending school!

KYO HUALING

Director of Global Relations and Research

Kyo Hualing is the lazy director of Global Relations and Research. Due to a new hiring strategy in Human Resources, he was hired straight out of college. Kyo gladly accepted the prestigious title eight months ago and has done nothing but under impress everybody. This rookie lacks shame for his actions. He admits he's unable to do the tasks assigned to him, but uses the excuse that he's still in training. Everybody wonders when the executives will finally have enough of this sloth.

GINGER BELLADONNA

Executive Assistant to the Chief Financial Officer

Ginger Belladonna is the spunky executive assistant to the Chief Financial Officer. Ginger is loved and appreciated, as she accommodates everybody's needs - even at her own expense. Ginger would like to attend community college at night to earn a nursing degree, but has been working unpaid hours to help her subdivision keep up with their ever-growing workload! As bad as she wants the American Dream, she's not sure if now is the time to focus on her own needs, dreams, and desires.

KASSY SAFFRON

Director of Marketing

Kassy Saffron is the sassy Director of Marketing. She speaks her mind and lives for confrontation. Once, in a fit of road rage, she chased a truckload of unsavory men into the seedy part of town so that she could speak her mind for their truck swerving into her lane! A sage word of advice is: do not cross Kassy Saffron.

ANGELICA VENUS

Senior V.P. of Technology Infrastructure

The anxious Angelica Venus is the senior vice president of Technology Infrastructure. After a promotion to VP, she received another promotion to senior V.P. Sources report that she got the second boost to help relieve her anxiety and cure issues of self-doubt. It only served to make it worse, as Angelica is a crabby bundle of nerves.

KEISHA MISTLETOE

Senior Risk Officer

Keisha Mistletoe is the high-maintenance senior risk officer at Worldwide Prestige. No stranger to designer fashion and elegant jewelry, Keisha strolls down the hallways, flaunting expensive wares in hopes of scoring jealous glances. Nobody knows where Keisha gets the money to buy such luxurious items. How much could a senior risk officer get paid, anyway? The answer is clear - not enough for what she's sporting around town!

WOODY NIGHTSHADE

V.P. of Environmental Health and Safety

Woody Nightshade is the blunt vice president of Environmental Health and Safety. Woody is a hard worker and does a superb job leading EH&S, but Woody's peculiar behavior can be annoying to others. Woody's antics of constant hand washing and hypochondria drive the employees to the brink of office insanity!

SAGE SORREL

Director of Advertising

Sage Sorrel will do anything to please the executives of Worldwide Prestige. Sage waits in the office, staring out the window for the executives on their walk to the parking garage. Sage eavesdrops to find out where the execs are headed after work, and by a planned coincidence, ends up at the same locale. Sage has a family at home but has put Worldwide Prestige as a top priority. Sage shouldn't be trusted.

RAINE HUCKLEBERRY

V.P. of Tax Policy and Planning

Raine Huckleberry is one of the most courteous and helpful employees at Worldwide Prestige. With a calm persona, Raine is a seasoned executive and authority on the inner workings and history of the company. Raine is an excellent source of information and mentorship. The word is that Raine might have a hidden dark side, but nobody has been able to prove that.

LAUREL HOLLY

V.P. of Business Development

Laurel Holly is the shy and reserved vice president of the Business Development Department. For a V.P. in the company, Laurel's personality doesn't fill the bill. Nevertheless, Laurel has a veiled charm. When push comes to shove, Laurel always wins.

SKYE BALSAM

Director of Healthcare

Skye Balsam is the extroverted director of the Healthcare Department at Worldwide Prestige. A caring general practitioner, Skye oversees the medical clinic at the headquarters' campus. The employees admire Skye, but a visit to the corporate clinic might land you in the waiting area for hours, as Skye engages in lengthy chat sessions with every patient.

TALON INDIGO

V.P. of Finance and Purchasing

Where's Talon? Oh, it's Friday, never mind. That's what you'll hear in the hallways on Fridays. This sluggish V.P. of Finance and Purchasing has a host of undiagnosed medical issues that cause absences from work every Friday. Moving at a sloth-like pace, Talon squeaks by with the bare minimum to avoid getting fired. Nobody knows exactly how Talon ended up with an executive title with such a poor work ethic!

REED ANOCHO

Director of Corporate Dining Services

Hailing from South America, Reed Ancho often pretends not to comprehend the English language, but sources close to Reed have confessed s/he understands every word. Reed is the director of Corporate Dining Services and has been with Worldwide Prestige for only a few months. The menu was recently given an overhaul to include dishes with a spicy South American flare. Some employees are outraged with the new culinary selections.

BRIAR GARLAND

Director of Corporate Wellness

Briar Garland exists on a diet of protein shakes and supplements, and spouts out nutritional guidance to anyone with an open ear and time to spare. Briar runs a tight ship with the corporate wellness program and manages the workout center as if it were a stand-alone fortune 500 company.

ROSEMARY ASTER

Vice President of Asset Management

Be careful with your choice of words while speaking with the glamorous Rosemary Aster. This sensitive V.P. of Asset Management analyzes every word and will obsess for days over anything she deems the slightest bit negative. Rosemary gives a new meaning to the phrase walking on eggshells!

PEPPER LOTUS

Vice President of Purchasing

Pepper Lotus is no stranger to the use of power to control inferiors – both on and off the clock! It's no surprise that everyone in her division, i.e. Pepper's Puppets, compete to be Pepper's BFF. If you work in purchasing, it's advised to do whatever Pepper wants if you want to keep your job and have a happy existence in the office.

KIZZIE WINTERGREEN

Director of Corporate Relations

Kizzie Wintergreen is the unapproachable director of Corporate Relations. Kizzie proclaims she avoids people because she is closer to animals than humans. She is difficult to deal with and socially awkward, but lets her hair down during corporate functions. In fact, she often unveils a wild side that's far too much for most people to handle.

DILL FEVERFEW

Vice President of Postal Services

Dill Feverfew is the outrageous V.P. of Postal Services. Dill is married to an heiress that refuses to allow him to sit idle all day in their mansion. He is employed at Worldwide Prestige to make his bride happy. However, Dill lacks career aspirations. Everyone knows his prestigious title was arranged by his wife's powerful family.

MYRON GALAXY

Director of Corporate Investor Communications

Myron Galaxy is the fun-loving prankster and hilarious director of the Corporate Investor Communications Department. If you need a cheer up - go to Myron's office and he'll perform standup comedy for you. The staff of Worldwide Prestige all love Myron and only talk half of what he says seriously. Myron is one of the most dedicated employees at Worldwide Prestige, and one of the most fun to be around.

JAG WISTERIA

Director of Transportation

Jag Wisteria is the uncouth director of Transportation at Worldwide Prestige. Jag's a bit of a 'good ole' boy' with archaic views of society and social interactions. He's not known for saying the right thing or doing what is proper in any given situation. He blames his ill-mannered behavior on his 'country upbringing.'
