NAME AND POSITION	BRIEF BIO	SUGGESTED ATTIRE
<p>ROAN HICKORY Comptroller <i>Optional Either</i></p>	<p>Roan Hickory is the antisocial comptroller of Worldwide Prestige. As if Roan stepped out of a cave after thirty years, s/he has no idea how to interact with others. Therefore, having a chat with Roan is unnerving and difficult. No one is immune to the uncomfortable stares, and some swear the room drops in temperature when Roan enters!</p>	<p><i>Strange (i.e. something from another decade) yet formal business attire.</i></p>
<p>LINDEN CHERRIE Director of Corporate Training <i>Optional Either</i></p>	<p>Linden Cherrie heads up Corporate Training at Worldwide Prestige. Linden refuses to arrive a minute early and can be seen dashing to the parking garage at 5:00 PM sharp! Linden often begs other staff members to do his/her job, as s/he doesn't seem to have a clue what's going on! Linden believes that having a job means being present from nine to five without much beyond that.</p>	<p><i>Formal business attire.</i></p>
<p>NOVA MEADOWS V.P. of Engineering <i>Optional Either</i></p>	<p>A lawyer by training and a former CEO of three failed corporations, Nova Meadows is the capricious VP at Worldwide Prestige. The productivity in the Engineering Department has plummeted since this world traveler accepted the position last November. To nobody's surprise, news leaked out a few days ago that Nova's a cousin of a board member – and they often do extended European vacations together. The mystery is solved on how Nova landed the job.</p>	<p><i>Formal business attire with any European souvenirs (i.e. a leather belt from Italy, suspenders from Germany, etc.)</i></p>
<p>ROMY ALOE Director of Financial Planning and Analysis <i>Optional Female</i></p>	<p>It's without a doubt that Romy Aloe lacks a brain of her own. Romy has consultants within the corporation that she relies upon for advice for assigned tasks. She is a stern advocate for Misty Rainbow. Many wonder what type of wicked spell Misty must be holding Romy under, as her loyalty seems bottomless.</p>	<p><i>Formal business attire.</i></p>
<p>OLIVE SILVERBUSH Manager of Corporate Travel <i>Optional Female</i></p>	<p>The lunchroom gossips all say that Olive Silverbush must have crawled directly out of a <i>Beverly Hillbillies</i> episode! Olive is far from refined or educated but is the hard-working manager of Corporate Travel at Worldwide Prestige. A few months ago, Olive finally passed her GED exam in lieu of the high school diploma she never earned. She was acknowledged and received an award for her accomplishments during a lunchtime ceremony hosted by Eric Wilde.</p>	<p><i>Tacky business attire. Hair in braided pigtails.</i></p>
<p>POPPY RUE Manager of Corporate Events <i>Optional Female</i></p>	<p><i>Did you guys go without me to the vending machines? How dare you!</i> Those words often echo from inside of Poppy Rue's office! Poppy will flip out if she feels left out of <i>any</i> social situation – even if it is two colleagues walking to the vending machines! Talk about high maintenance! Poppy Rue is the demanding manager of Corporate Events and ruthless gossip! Never confide in Poppy Rue if you don't want your secrets blasted out in a corporate email!</p>	<p><i>Very fashionable, 'high statement' formal business attire.</i></p>

Everybody is a friend to Gale, and you'll never skip a beat in your friendship if you haven't seen her for a while. Gale is a positive force within the company. Personally, Gale has a compulsive gambling problem. North is difficult to read during conversations, as he analyzes every word you say. This is intimidating since he holds a position of authority in the company. North is a member of every committee in the corporation, and he's not in his office much. There is a rumor that North's team of auditors are not doing their jobs and faking audit reports. His absentee-style of management might be his downfall.</p>	<p><i>Formal business attire. A notepad to write down what everyone says as an optional prop.</i></p>
