FACTION	CHARACTER	BRIEF BIO	CRIMINAL CHARGE	SUGGESTED ATTIRE & MARK <i>(Prisoners are marked during transport to the island to distinguish their crimes)</i>
THE QUAY	<b>Izzie Vine</b> OPTIONAL either gender	A serial killer known as the <i>Mississippi River Dumper</i> , Izzie has been a prisoner on Dregs Island for five months. Easily sunburned and afraid of insects, Izzie is not fit for island living. Izzie is also allergic to half the plants on Dregs, which makes for long, miserable days in the hot sun. Izzie is rarely in a good mood and is quick to rush to judgment.	<b>MURDER.</b> <i>Izzie admits to the crimes.</i>	<i>Island native/warrior attire. Two red stripes on cheek below right eye (use makeup) for the mark of a murderer.</i>
THE QUAY	<b>Sasha Alexander</b> OPTIONAL either gender	Sasha Alexander is constantly cracking knuckles and whistling an eerie melody. As the former <i>Butcher of Dreary Hollow</i> , Sasha is one of the creepiest prisoners on the island. Sasha has been on the island for nearly five years and is one of the highest-ranked Junk Rats.	<b>MURDER.</b> <i>Sasha admits to the crime.</i>	<i>Island native/warrior attire. Two red stripes on cheek below right eye (use makeup) for the mark of a murderer.</i>
THE QUAY	<b>Val Kilman</b> OPTIONAL either gender	Val is always getting into fights with everyone – even fellow Junk Rats. Notorious for being unfit to live in society, Dregs Island has proven to be no different for this sociopath. Val is known for telling long stories with no conclusion. It is quite frustrating to chat with Val.	<b>MURDER.</b> <i>Val admits to the crime.</i>	<i>Island native/warrior attire. Two red stripes on cheek below right eye (use makeup) for the mark of a murderer.</i>
THE QUAY	<b>Sylven Pawlick</b> OPTIONAL either gender	Sylven has always feared the dark, silence, and thunderstorms. Sylven will put a stop to awkward pauses in conversations – even by humming to stop the silence. On the fateful night that led to Sylven's banishment to Dregs Island, Sylven lit twenty candles to avoid the dark during a thunderstorm. After falling asleep and catching the apartment on fire, Sylven fled the scene without calling for help. This negligent arsonist caused over twenty deaths.	<b>MURDER, ARSON.</b> <i>Sylven admits to the crime, but says it was all an accident.</i>	<i>Island native/warrior attire. Two red stripes on cheek below right eye (use makeup) for the mark of a murderer.</i>
THE COMPOUND	<b>Venn Boomer</b> OPTIONAL either gender	An eloquent speaker, Venn spews words with a poetic flair. Back in the free world, Venn was an Ivy League professor of mathematics. Venn mistakenly wrote a check for a large house mortgage payment on checkbook that had been left in a recently-purchased antique desk. The professor claimed the check had the same design as his/her checks, and it was an innocent mistake. The judge didn't buy Venn's story.	<b>WHITE-COLLAR CRIME – CHECK FRAUD.</b> <i>Venn maintains innocence.</i>	<i>Handmade silk/rayon/linen shirt &amp; shorts. (White collar criminals are not marked.)</i>

THE COMPOUND	<b>Dracien Malvoy</b> OPTIONAL either gender	Dracien is a metaphor-emitting former engineer who never speaks until spoken to first. Dracien prefers to linger in the shadows and watch others. Nobody ever knows what this mysterious resident of The Compound is thinking. Dracien rarely leaves The Compound's reinforced and guarded walls.	<b>WHITE-COLLAR CRIME – INSURANCE FRAUD.</b> <i>Dracien maintains innocence.</i>	<i>Handmade silk/rayon/linen shirt &amp; shorts.          (White collar criminals are not marked.)</i>
PURGATORY	<b>Julian Oliver</b> OPTIONAL either gender	A professed specialist in black magic, Julian often mutters spells or hexes at a nearly inaudible level. Julian was the owner of a metaphysical retail store back in the French Quarter of New Orleans. Julian claimed to be a psychic but was unable to see the police coming to arrest him/her for hitting a neighbor with a baseball bat for having weeds in their lawn.	<b>ASSAULT AND BATTERY.</b> <i>Julian maintains innocence.</i>	<i>Handmade silk/rayon/linen shirt &amp; shorts.          Two yellow stripes on right cheek below eye (use makeup) for the mark of an assault crime.</i>
PURGATORY	<b>Piper Tristan</b> OPTIONAL either gender	Distracted easily during chats, Piper Tristan does whatever it takes to watch the surroundings and eavesdrop on others. A former news reporter, Piper toppled to the dark side after making friends with the wrong crowd. As an initiation into an underworld faction, Piper was to rob a fast food restaurant to prove worth to the ring of criminals. However, inexperience led to many mistakes that landed Piper on Dregs Island.	<b>NON-VIOLENT THEFT – BURGLARY OF A FAST FOOD RESTAURANT.</b> <i>Piper maintains innocence, but was caught at the scene.</i>	<i>Orange prison jumpsuit.          Missing left (non-dominant) hand is optional (wear a black glove to signify) for the mark of a thief.</i>
