Guest List

TRAIS FONTENOT

Oil Tycoon

Trais has significant plans for a string of Fontenot buildings in the Big Easy, but thus far, nothing has received a stamp of approval. Trais owns many successful businesses in New Orleans, such as *The Joyful Jester Steakhouse*, *Enchanted Daiquiri Shop*, *One-Eyed Blacksmith Bar*, *Swamp Water Witchery*, and *Old Absinthe Bookstore*.

ROMY VANDELAY

Architect

Romy Vandelay recently moved to New Orleans under the employ of Trais Fontenot. A self-righteous hypocrite who was fired by the University of Stamford for charging students false fees and passing off the students' work for business proposals, Romy is anything but boring to be around. Romy is considered a lazy narcissist by most but is quite possibly a genius underneath the slothful layers. When Romy does the work – it's brilliant.

JULES VIDAL

Bookstore Manager

Jules Vidal is a bookstore manager at *Old Absinthe Bookstore*, next door to the *One-Eyed Blacksmith Bar*. Jules is easily annoyed and prefers things to be quiet, for obvious reasons. The next-door noise leads to strife, and Jules often calls the police – for no good reason! Jules is a bit of a drama fanatic but is one of the smartest people you'll ever meet.

BELOT BENOIT

Daiquiri Mixologist

Belot is a mixologist at the *Enchanted Daiquiri Shop* on Bourbon Street. A former employee of the *One-Eyed Blacksmith Bar*, Belot is the best daiquiri mixer in the French Quarter. This drink maker relies too much on what others think and will continually do anything possible to please others. Rumor has it that Belot's job is in jeopardy, as there have been many complaints made lately – but all from the same lady. Maybe that's why Belot is still employed?

CHEVIS BROUSSARD

Attorney

Chevis Broussard is a prominent attorney in New Orleans. Chevis has endured scandals this year, including a thorough investigation of an embezzling scam involving Chevis's former law firm. Chevis broke away from the partnership and branched out solo, stealing the most prominent client, Edith Fontenot. Chevis claims to guess others' thoughts, which can be quite annoying, especially since Chevis is usually wrong.

VALENTIN BOUDREAUX

Bartender

Valentin Boudreaux is a bartender at *One-Eyed Blacksmith Bar* on Bourbon Street. Full of charisma, Valentin is always seen as accommodating and goodhearted. Nicknamed *Cocktail Boudreaux*, Valentin competes at National Mixology Competitions and often places in the nation's top five. All drinks at Valentin's bar contain seven ingredients, and s/he won't make them otherwise.

NOE LANDRY

Lounge Singer

Noe Landry is a lounge singer at *One Eyed Blacksmith Bar* on Bourbon Street. Noe is the child of a saxophonist and trombonist who both performed on Bourbon Street like Noe.

Noe is brilliant with a strong moral core and always looks for the most ethical outcomes via honorable means.

Noe will never stand by and watch someone make a poor decision. Noe remains the advocate for the underdog in any situation.

KARI CORMIER

Swamp Tour Captain

With an exquisite sense of self, the world was created for Kari - or so Kari believes that to be true. Kari Cormier runs the *Great American Swamp Tours* in Houma, Louisiana – a city southwest of New Orleans. Kari knows the swamps like no other and can navigate a swamp boat through the bayous with precision. The alligators swim to Kari when their names are called, but there have been a few close calls when they're hungry.

JADE HEBERT

Registered Nurse

Jade Hebert is from New Orleans. Jade is sometimes a cold-heartless tyrant, but on the flip side, Jade's as sweet as pie, depending upon what is needed. Jade works in the *Gollan Psychiatric Facility* as the head nurse of Ward A, where the most dangerous patients reside. Jade has absolute power over the patients' access to privileges and will impulsively revoke those benefits as the wind changes direction. Jade tries to exert control over others outside of the hospital to no avail. For that reason, Jade doesn't have that many genuine friends.

Jade has a bad habit of shouting the word 'shame' at others.

ZURI RICHARD

Fortune Teller

Zuri Richard is a psychic who tells fortunes at *Swamp Water Witchery* on Bourbon Street. Zuri has a quick wit and a lack of fear for the consequences of anything. Having nothing to do with money, Zuri prefers not to have a home and lives alone in a hotel room – with comfort that s/he can check out at any time and go somewhere else. Zuri has a paralyzing fear of clowns, which is sometimes a problem, given the performers on Bourbon Street.

AMELOT SOULE

Jazz Musician

Amelot is a New Orleans native and trumpeter, composer, teacher, and artistic director of jazz at the famous Hamner Performance Hall. Amelot has a busy schedule of performances with a jazz band on Bourbon Street called the Cool Cajuns, teaching music appreciation classes at New Orleans Community College, and promoting jazz concerts at the local concert center. Amelot sometimes pretends to live in the Victoria Era and will be the first to give a disapproving scoff at anything distasteful.

TAYLOR GUIDRY

Executive Chef

Taylor Guidry is a perfectionist chef at *The Joyful Jester Steakhouse* on Bourbon Street. Taylor is unafraid to challenge the critiques of dishes served in the restaurant. Taylor is fast-paced and focuses on plating each culinary delight with perfection.

Taylor has personal baggage, starting with being left home alone at age nine when the family left for a European vacation. Taylor ended up in an orphanage by mistake, and it took five years to reunite with the family. This is probably the origin of most of Taylor's issues.
