GUEST LIST

BRAN BLITZEN

Event Planner

Bran Blitzen is an energetic event organizer. Bran is the only event planner in town. Bran doesn't take life seriously and is the first one to laugh at a joke - even if it isn't funny or meant to be a joke.

However, Bran has a dark side. If Bran hears about an event in town and they weren't so much as consulted about the event – Bran will reveal a rather nasty side. Bran has even sabotaged private events before!

CHRISTMAS BERRY

Manager, Tinsel Town Ice Rink

Christmas Berry is the obsessive manager of *Tinsel Town Ice Rink* of the *Shops of Gingerbread Circle*, the central shopping mall of the town. Christmas is a great leader, but sometimes will get caught up in the drama and take things too far. Christmas has a strong belief in the Dunkarong – a Christmas legend claiming if the spirit of Christmas is lost in any given town, the people will be plagued with a string of bad luck for a full calendar year. Also, the Dunkarong will claim a victim for revenge, and that person is never seen nor heard from again. Christmas carries a security blanket, has trouble controlling the volume of their voice, and refuses to laugh. Chris's face will contort most hilariously while trying to suppress a smile.

HARLEY HICK

Build a Teddy Bear Specialist

Harley Hark is a helpful stylist for the *Build a Teddy Bear Store* of the Shops of Gingerbread circle. The store is a workshop where kids can design their stuffed bears. Harley seems nice, but nobody knows the real person lurking inside.

The store manager has warned Harley many times this year for talking to the kids in the store about the rather scary Christmas legend of the Dunkarong. Harley claims to have good intentions, but the kids' parents don't like how their kids are being traumatized!

SNOW WREATHMAN

Reindeer Handler

Snow Wreathman is a caring reindeer handler at *The Stables of Tinsel Town*. Snow supplies the reindeer for the main attraction of Christmas – *Santa's Village at Blooming Marcus*. Each day, Snow must bring the reindeer to the exhibit and care for them. Snow will eat anything fit for human consumption – even questionably edible things. Snow is quiet, brooding, and gets exceptionally defensive if someone disagrees, as Snow always thinks they are right. Snow loves to speak in hypotheticals and is quite judgmental of others. Snow is an animal advocate and member of many animal rights organizations. Warning: don't even swat at a fly around this creature guardian.

CANE KLAUS

Manager, Santa's Clauset

Cane Klaus is a brilliant scholar who pretends to be an airhead, so people expect less. Cane is the manager of *Santa's Clauset* – a holiday-themed retailer at the *Shops of Gingerbread Circle*, the central shopping mall. Cane can't help but speak about their preferences and must always give an opinion on how the topic relates to something they've done, seen, or heard before. This holiday vendor will give 'fun facts' that may or may not be correct. Given Cane's intelligence, they are probably right, but those who don't know Cane speculate that the facts could be fabricated.

EMBER JINGLE

Owner, Jingle Christmas Trees

Ember Jingle used to be a professor of nutrition at Tinsel Town College. Ember was caught doing illegal research on human subjects regarding a dietary supplement of nutmeg and cinnamon that Ember believed taking three times a day would raise holiday spirits and brighten the mood. After losing a tenured position, Ember sunk life savings into opening *Jingle Christmas Trees* and quickly became the supplier of holiday trees for Tinsel Town. Ember is daunting to speak to, as a question always begins with, *I must inquire*, and all sentences conclude with, *'end scene.'*

COMET BOWMAN

Christmas Tree Designer

Comet Bowman is a talented Christmas Tree Designer who is hooked on chaos and lives for a good crisis. Comet is a freelance designer who usually works for retailers during the holidays, designing awe-inspiring Christmas creations for storefront windows and featured exhibits within retail locations. Comet sneezes upon hearing their first name. When asked a question, Comet will respond with a request to hear the *magic word*, or this stylist will refuse to answer.

BEE FROSTY

DJ

Bee Frosty is the enthusiastic disc jockey for the Tinsel Town Ice Rink. Bee keeps the dance floor moving, and the energy high as the latest hits are cranked out above the ice. Just don't ask Bee to play a specific song, as Bee doesn't take requests. Bee's music can be heard throughout the *Shops at Gingerbread Circle*. This sometimes annoys the other mall employees, especially when they are trying to play music in their store.

RANDY DASHER

Toy Store General Manager, Tinker Toy Store

Randy Dasher is the ambitious general manager of *Tinker Toy Store*, next door to the *Shops at Gingerbread Circle*. Even though Randy works for a small business, this manager does whatever it takes to compete with the more giant toy conglomerates like *Toys B Us*. Randy faces many obstacles each day and is feeling the pressure of the holiday season.

DECK HALLMAN

Gift Wrap Specialist, Blooming Marcus Department Store

Deck Hallman is a disgruntled gift wrapper at *Blooming Marcus Department Store* – the biggest and most luxurious retailer in Tinsel Town with affluent and rather demanding clientele. There are two sides to this present designer: one is friendly and caring, and the other is as mean as an old man with the neighbor kids playing ball on his lawn.

DECEMBER HOLLY

Manager, Blooming Marcus Department Store

December Holly is a meticulous and demanding manager of the *Blooming Marcus Department Store* – the biggest and most luxurious retailer in Tinsel Town that offers the finest and highest quality products from fine jewelry to home goods.

December is skilled at the art of deception, and some have even called this manager a compulsive liar. December can circulate rumors with the best of them and is known to introduce themselves with a slightly different name each time. With that said – December is the most sought-after recruit in town. December has several job offers awaiting but remains loyal to the store.

WHIT DONNER

Reality Television Star

Whit Donner is the daring and stunning reality television star on the hit television show *Whit's World*. Whit is bold and will speak their mind. Whit's open about being intolerant of moronic behavior. Don't make this boisterous star angry unless you want to be put on blast to Whit's one-million social media followers.

Whit will say what comes to mind without a filter, so if you don't want to hear the truth – keep your distance from this TV personality.

WYNTER EVERGREEN

Christmas Cracker Joke Writer

Wynter Evergreen works from home as a Christmas cracker joke writer. Wynter doesn't leave the house often or tool around on the internet due to severe paranoia about privacy breaches. Wynter has problems with short-term memory and will tell tales that have already been told. Every so often, Wynter will blink super hard, rub their eyes, and look around as if they have just woken up. Nobody knows why Wynter does this, but it's unconventional, nevertheless. Wynter is a budding stand-up comic, albeit someone won the local stand-up contest last year after stealing all of Wynter's jokes from Christmas crackers.

CARROLL NORTH

Head of Programming, Christmas TV

Carroll North is the head of programming of the year-round cable channel, Christmas TV. Carroll's objective is to enjoy life, but some find that working minimal hours and sleeping on the job is a serious dereliction of duty. Unbeknownst to Carroll, some station staff have created a petition to either demote or get rid of Carroll.

Carroll is continually fidgeting and attempts to speak in rhymes but fails miserably. With a laid-back and goofy attitude, Carroll is often the life of the party. Therefore, this cable television executive is the one to get people in the mood to have fun.

STARR DOVE

Department Store Elf

Starr Dove is the professional Christmas elf who is only employed during the holiday season. It can be odd to chat with Starr unless you can auto-translate someone speaking in the third person as if their body is not their own. With excellent persuasion skills, Starr knows how to get things and isn't afraid to admit it. Starr's a vegan – albeit you'll know that within ten seconds of meeting this elf. Starr lacks a filter and will say what comes to mind, so avoid this elf like the plague if you are sensitive and don't want to hear the truth. Starr can be entertaining to be around, as you never know what is coming next.

ANGEL JUNIPER

Personal Shopper

Angel Juniper is a personal shopper who can be hired to shop for anything from groceries to engagement rings. The holiday season is when Angel works the longest hours, but Angel knows precisely where to get the best deals and merchandise. Angel is addicted to anything chrome or silver, and this obsession often gets Angel into hot water if Angel doesn't follow the client's directions. Not everyone wants silver pants, drapes, and blankets.

This shopper gets a severe case of the hiccups when nervous and panics like a deer caught in the spotlight. Angel prefers to stand in the shadows and stay off the social radar.
