GENERAL INSTRUCTIONS FOR THE HOST

Get ready for a smashing party with your purchase of the **Bumped Off on Bourbon Street** game from mymysteryparty.com! This party is an entertaining and comical mystery where the players act the roles of hilarious Mardi Gras themed personalities while sleuthing the intriguing story line. This is an excellent choice for your next get together during Mardi Gras season!

During the party, your job as the host is to ensure that the envelopes are given to the guests at the appropriate times and most of all – that you and your guests are having a blast! Make sure to read these host instructions for each round prior to the party to ensure that you have everything in place for the big day! Please note - the host instructions for each round do not disclose who the murderer or the victim is.

SO WHODUNIT? We do not disclose whodunit in the host instructions in case you wish to play along. Please have someone prepare your round two and three cards so you don't view them. The victim is disclosed in the round two cards and the murderer is revealed in the round three cards. Also, do not view the solution key at the end of this file if you wish to keep the surprise. We provide a solution key in case there are end of the night questions as to why a certain player is or isn't guilty. You may not even need it.

PREPARE YOUR KIT: You will need to print and prepare your kit prior to the party. Cut out the clue cards for each round and slip them into labeled envelopes. It is best to color code your envelopes so you can easily determine which round they are in (also, label them with the round on the outside with the character name). Another way to prepare the clue cards is to scroll them and write the character name and round on the outside and secure with a ribbon. Both methods are shown in our how to host video on our home page. We'll assume you prepare the kit with envelopes for purposes of the instructions.

OPTIONAL PROPS: We also offer mystery props on the **My Mystery Party** site in the [Prop Emporium](#) including crime scene barrier tape, crime scene balloons, Bic mystery investigation pens, white face makeup for the victim, victim t-shirts, victim's halo, etc. These are all optional but are fun enhancements to your night/day of mystery.

You can also set up a mock crime scene after the victim is revealed by using the evidence marker cards, crime scene tape and body silhouette mat – these are all optional and setting up a crime scene is entirely optional and should not be used to sleuth the crime. You can just do it for a fun effect and photo opportunity and for this reason – you can do it at anytime, anywhere in your party space. It may make the most sense to set it up once the victim is revealed, however.

During the party, your job as the host is to ensure that the envelopes are given to the guests at the appropriate times and most of all—you and your guests are having a blast!

FULL INSTRUCTIONS IN THE PURCHASED GAME

THE GAME IS ORGANIZED INTO FOUR ROUNDS AND IS STRUCTURED AS FOLLOWS:

OPTIONAL PRE-GAME TASKS: these optional pre-game task cards are to be delivered to each guest before the party or give them to the guests as they arrive. You can also download the file for the party game tickets along with this download. These tickets are optional and only used as a fun effect. You also have the guest pregame site at YourMysteryParty.com/bourbonstreet. All pre-game materials are optional and do not alter the mystery and are intended to enhance the pre-game build up for the event. These tasks are not vital to solving the mystery and omission of them does not alter the mystery in any way. However, you'll find that your guests will be more prepared for game play if they are exposed to the mystery video trailer, synopsis and character lists in advance.

ROUND ONE: Deliver these clues as your guests arrive. You can serve appetizers and cocktails for adults.

ROUND TWO: Deliver these clues while you serve dinner (optional) to your guests.

SOLUTION ROUND THREE: Deliver these clues with coffee/hot cocoa and dessert (again, it's optional to serve dessert)

Note: you do NOT have to serve dinner/dessert, this is only suggested and the instructions tell you 'when' to serve it and what to do around the time you serve it. You can simply skip both without a problem and just serve snacks/appetizers the entire time. However, please don't have a party without offering some type of food—even if it's just snacks.

OPTIONAL PRE-GAME ROUND

INVITING GUESTS: Before the party, encourage your guests to view the Your Mystery Party — <http://yourmysteryparty.com/bourbonstreet> website and use the free printable My Mystery Party invitations as they have the character descriptions included. This way, before the party, they can get familiar with the other characters that will be at the party, watch the game trailer, and more! There are also hidden/subtle hints about characters throughout the page so those guests who choose to be 'super sleuths' can spend some time studying the Your Mystery Party site prior to the party. The free, downloadable invitations are located on the item page where you first purchased this game at <http://mymysteryparty.com/bumped-off-on-bourbon-street-murder-mystery-party/>. Scroll to the middle of the page and click on the link that says 'free, downloadable invitation' to download the pdf file in the helpful links section. First, save to your hard drive. Reopen with the most current version of Adobe Reader (or you may face issues). Fill in your information in the text fields and either print or save to your hard drive. You can email these invites to your guests to save paper costs. You will need to enter your information in the text field and save one on your hard drive for each player, changing the character to be played on each invitation. Alternatively, either email this link or use any eVite site and simply include the link to the Your Mystery Party guest invite site at <http://yourmysteryparty.com/bourbonstreet>. There are no spoilers on this page for your guests. Note: if you add the expansion pack, you'll need to use the appropriate pregame guest site for your guests. This new site link is given on the expansion pack page and on the invite that includes the expansion pack players.

ROUND ONE – IT'S PARTY TIME!

DÉCOR: Create a fun Mardi Gras atmosphere with gold, green and purple balloons and streamers. Also, take a look at our [Pinterest Page \(MyMysteryParty\)](#) for some DIY options.

GUEST ARRIVAL: Appetizers can be served (optional-cocktails for legal-aged adults). The guests' instructions and the character descriptions (suspect list) should be available for the guests to review. Formally go over the instructions once everyone arrives.

Keep the round cards handy as you'll be passing them out at the correct times to progress the game. As an alternative, creatively display the clue-containing envelopes on a table for the guests to locate their own character names but don't allow them to take clue cards from future rounds! Don't forget to take both individual pictures of your guests and a group picture once everyone arrives - they'll all want copies of these! A great party souvenir is to print these pictures during the party on photo paper and slip into creatively designed frames (you can make them out of cardboard or purchase actual frames).

BONUS ACTIVITIES: at any time during your party, you can insert a bonus activity (see bonus activity instructions for more details). You can play before, during or after any round. The key to keeping the mystery momentum is to tell the guests to remain in their character at all times. Breaking character will disrupt the flow of the mystery game's story line, so it is very important. Bonus activities provide a temporary distraction and keep the energy level high and excitement flowing. Even if you think your guests aren't the party game types, you should at least try to play one—you'll be surprised how much they get into it and have a blast.

ROUND THREE – THE BIG REVEAL

OPTIONAL ACCUSATIONS: after you collect the mystery investigation sheets, allow the guests to one-by-one accuse who they believe the murderer is and how they did it. Instruct them to also tell the group their guess of the murderer's motive. If you are having an awards ceremony using the awards certificates available on the My Mystery Party site in the mystery props section, you can use this round as the final decision maker on the best actor/actress award.

EXAMPLE TIMELINE

7:00 PM: Guests arrive, have their pictures made and enjoy appetizers. Have the guest instructions, and a character list available for the guests to view.

7:10 PM: The host goes over the instructions for the mystery game. It is optional to have each character stand up and introduce themselves to the group. You can play the game trailer video for an introduction.

7:50 PM: An optional bonus game is played.

8:05 PM: Dinner is served. (*Dinner is optional – appetizers / snacks can be served throughout the party instead of serving a formal dinner.*) The New Orleans Movie Challenge is played at this time &/or during dinner.

8:45 PM: Round Two envelopes are handed out, and the guests mingle about with their pre-murder clues.

9:05 PM The host reads the results of the movie challenge and the victim, using this as a secret cue, becomes the victim. The investigation of the crime begins. **If the movie challenge is skipped, the host will need to cue the victim when it is time to become the victim.* The mystery investigation sheets & a writing utensil are handed out, and the guests reveal their post-murder clues and investigate the crime.

9:15 PM: The forensic report is revealed. The guests review it and finalize their best guess of whodunit.

9:30 PM: Dessert and coffee (*both optional*) are served and the Round Three envelopes are handed out to the guests. The guests sit in a circle and one-by-one, the solutions are revealed by each suspect and the murderer confesses at the end.

9:50 PM: Allow time for the guests to mingle at the end to discuss the mystery. If you only had the required players read their solutions, use this time for your guests to mingle & share their solutions to the mystery. You can use this time to get ready for the awards ceremony (*optional*).

10:00 PM: Now it would be time for an optional awards ceremony &/or even a bonus game!

***Please note: if you want to shorten the mystery party, omit the bonus games, don't stop for dinner and simply serve appetizers/snacks throughout, omit the accusation round &/or the awards ceremony. If you wish to extend the length of the party, simply add more bonus games!**

HELPFUL HINTS ON HOW TO PLAY A MURDER MYSTERY:

GUEST INSTRUCTIONS

You've been assigned a character and you've come to the party dressed in the most fabulous costume and have been told to play your role. So now what?

The mystery is separated into three rounds. During the party, you will be handed an envelope that contains the clues necessary for your character for the round. The clues for all of the required characters provide everything that you need to solve the mystery. However, during the investigation segment of the game, you will need to ask the right questions and pay close attention to everyone's clues to be able to get the whole picture of what has happened.

FULL INSTRUCTIONS IN THE PURCHASED GAME

From this point forward, you are to remain in character until the mystery is solved. If you are playing a 'green alien from Mars', then that is who you are until the end! Undoubtedly, your host has cast you into a character that you are comfortable playing. Some characters are designed to be played more reserved than other characters that should be played more boisterous. Feel free to play your role however you feel comfortable. Embellish your character's personality if you would like. However, if you are feeling more reserved tonight, you can opt to allow the other characters to approach you or you can simply listen in on others' conversations to get your information.

OPTIONAL PRE-GAME TASKS- The following tasks are optional and exclusion of them does not alter the mystery in any way. However, it does lead to pre-game build up and excitement! Input your guests'

information below. Print the game and cut out the task strips and slip them into envelopes and send about 1 week prior to the party. Be sure to fill in your guests' preferred contact information on the task slips so they will be able to contact each other. The usual method of contact is via email.

CHARACTER B

OPTIONAL - for some pre-party fun, you can contact the following guests in the week leading up to the party:

Contact the guest playing **Character S** and tell him you heard he bought a ticket for the Mardi Gras party at Fat Tuesdays Pub. If he can afford an expensive ticket, he should be able to afford to pay you back what he owes you.

(Contact info: _____)

Contact the guest playing **Character H** and tell him you heard about what happened at the Opera House the other night. You can't believe someone would be so classless. The Opera House needs better security - or maybe Beauregard needs a bodyguard.

(Contact info: _____)

Each player will have a pre-game task card in the purchased game.

ROUND ONE CLUES START ON THE FOLLOWING PAGE – cut out, slip into envelopes and label with the appropriate round and character ✂

Character S ROUND ONE

CLUES TO REVEAL DURING THIS ROUND

-  Tell Character U you know how she feels – you owe the same bookies in town over 25,000 dollars and they've threatened to send their 'boys' over to make you 'swim with the fishes' if you didn't pay them in 48 hours. It's been 47 hours, so you're certain they're on their way here to the party.
-  Confide in a few people about how Character T told the pit boss at Harrold's Casino that you are a notorious cheater and compulsive liar and they should keep their eye on you.
-  Ask Character G if it is true that Character L refused to seat her at his restaurant because she was wearing biker attire. You find that ridiculous if it is true.

PERSONAL CLUES TO CONCEAL

-  You are lying about owing bookies in town. You find that it makes you look tough and it gives you something to talk to people about.
-  You vowed to get revenge on Character P. Your job is in jeopardy because you are not an honest blackjack dealer and they are watching you very closely. You can't help but cheat – you can't stand to lose! If you lost your job at the casino –you'd never get another job as a dealer again and that's all you've ever known!

Each player will have a round one card in the purchased game.

PRE-MURDER CLUES:**

- ~ Tell Character S that your cousin's friend's 2nd grade teacher's neighbor told you that about three years ago, his nephew from out of town accepted 100.00 bucks from Character H in to sneak a chopped up rat in the gumbo that he ordered from *Balatoire's Restaurant*. You'll do your part to tell the owners of the restaurant what happened so he can get his job back. The gumbo hasn't been the same at Balatoire's since he was fired!
- ~ Tell Character S you demand he stops influencing your husband (Arnold) and the other husbands in the French Quarter to go to the Cajun Snake Bar and watch silly sports reruns until the wee hours of the night. These are 'family men' and need to be with their families!
- ~ Speak to everyone. See if you can get any juicy gossip.

POST-MURDER CLUES:

- ☠ You've left the party room several times tonight – you are always making sure you're not missing anything! Too bad you missed the murder while it was occurring – that would have been a great story to tell!
- ☠ You saw Character C with the murder weapon earlier.
- ☠ The victim told Character B something and then left the party area. You have to find out what they said – it might be a key piece of evidence.

READ WHEN YOU ARE TOLD IT IS YOUR TURN.

Say the following to the group:

I ADMIT IT! I'm a big cheater and a compulsive liar. Whatever. So what! I'm not a murderer, though. Character N tried to get me fired from my job for no apparent reason other than to be a poo-poo platter jerk! He told the pit bosses at my casino that I shouldn't be trusted. Maybe he was right, but what right did he have to do that? I'm glad he is gone! And that is not a lie for once!

THE FOLLOWING CHARACTERS ARE TO READ THEIR SOLUTION TO THE GROUP IN ANY ORDER - ONCE THESE CHARACTERS HAVE READ THEIR SOLUTIONS, **Character V** WILL READ HIS SOLUTION TO THE GROUP:
