CHARACTER	BRIEF BIO
<p>VIC EPPERSON Bus Driver</p> <p>OPTIONAL</p>	<p>Vic Epperson is a shy bus driver for Nevermore School System who has an unhealthy obsession with eating green gelatin. Always seen smacking a wad of gum, this driver doesn't like to interact with the children passengers but preferably uses a hand puppet to give instructions and dole out reprimands.</p>
<p>DALLAS HORTON State Wildlife Officer</p> <p>OPTIONAL</p>	<p>A longtime wildlife officer for the state, Dallas Horton is stationed in the dismal town of Nevermore. Dallas sneezes when nervous and has terrible grammar – both written and spoken. Dreadfully afraid of houseflies, Dallas's eyes shoot to all corners of the room while indoors. This paranoid behavior might be off-putting to some.</p>
<p>MONGO LOVE Clerk, Motor Six Motel</p> <p>OPTIONAL</p>	<p>Mongo Love is the obnoxious night clerk at the Motor Six Motel – a seedy spot for weary travelers off the main highway through town. Mongo claims to be an underground computer hacker but has never taken a computer science class and doesn't associate with established hackers. Mongo collects coins and stamps, but the collected works consist of duplicated modern pieces - so it's not much of a collection.</p>
<p>APPLE KNIGHT Bartender</p> <p>OPTIONAL</p>	<p>Typically overdressed for any occasion, Apple Knight is always complaining that it's too hot. A self-proclaimed fashion guru, Apple speaks most thoughts aloud and can be quite offensive. However, some people speculate Apple might be talking to imaginary friends. Apple is a bartender at the Raven's Den, a 24-hour dive bar on the outskirts of town that is notorious for shady dealings.</p>
<p>REDD ENGLAND Funeral Director</p> <p>OPTIONAL</p>	<p>With a sad face and even more grim eyes, Redd England is the morbid funeral director at Dye & Hollabach Funeral Home. A notorious party killer, Redd is a real downer at social events, as Redd can only focus on the negative aspects of life. With a condescending tipped-up chin, Redd stares blankly for long periods and awkwardly draws out words.</p>
<p>MERIDIAN MOODY TV Evangelist</p> <p>OPTIONAL</p>	<p>Meridian Moody dropped out of school in the 8th grade and was arrested over ten times as a teen for theft, disturbing the peace, and other petty crimes. Now, this television evangelist is an adult that plays with toys on YouTube when not healing people by slapping them in the face. Meridian hosts the local cable channel show, Trust the Faith, and claims to be able to cure even the most severe ailments with a smack in the mug. Most townies agree that assault charges should be filed instead of praise for false hopes.</p> <p>This player may be expanded into a team of up to 20 additional players as Meridian's entourage (production assistants, publicists, managers, bodyguards).</p>
<p>CALLAN SHELTON Construction Manager</p> <p>OPTIONAL</p>	<p>Callan Shelton is a construction manager for a 1-star builder called Shade Tree Homebuilders. Like a walking portrait, Callan's appearance never changes with disheveled hair, a dirt-smudged face, and the same clothes. Nevertheless, Callan pretends to be a member of an exclusive league of socialites in town. Rumors have flown about the town of Nevermore that Callan might be the only member of this elite club.</p>

<p>BORDAN BLEVINS Lab Tech</p> <p>OPTIONAL</p>	<p>Continually sketching the environment, Bordan Blevins can get lost in thought easily. Bordan's a lab tech for Who's Your Daddy, a controversial paternity testing facility. Don't invite this tech to the dance floor unless you're ready to see the most terrible dance moves you've ever seen. Bordan also has half of a wardrobe of pleather creations and claims they are <i>fancy clothes</i>.</p> <p>This player may be expanded into a team of up to 20 additional players as Bordan's colleagues at Who's Your Daddy.</p>
