LIST OF PIRATES

CAP'N JACK BLACKSPARROW

English Pirate & Captain of 'The Black Onyx'

The gentleman Captain Jack Blacksparrow is one of the fiercest fighters on the open sea! Ironically, to evade dangerous situations, this pirate leader avoids physical fights with mere wit and skills of negotiation. This is one loyal and brave cliché-talking captain that would valiantly go down with his ship.

LADY 'OCEAN DRAGON' SMYTHE

Irish Pirate & First Mate of 'The Raging Cannon'

Lady Smythe, better known as the Ocean Dragon, is the greedy treasure-seeking lady pirate. This pretty buccaneer isn't known to be loyal or trustworthy as she's infamous for using her skills of manipulation to guide her captain towards trouble... especially if there's pirate booty involved! In addition, this lady pirate is infamous for singing eerie pirate songs in times of unrest.

CAP'N BARNACLE BURNTBEARD

Spanish Pirate & Captain of 'El Lobo Del Mar'

Cap'n Barnacle Burntbeard will stop at nothing to get his hands on his next meal. This captain's appetite dictates his mood every second of the day. Just make sure this pirate has something to eat and all will go well on his ship. Rumor has it that this captain yearns to dance the paso doble and when nobody's watching, he shakes a tail feather with swabbin' mops.

CAP'N PONCY HAWTHORNE

Irish Privateer & Captain of 'The Raging Cannon'

The charismatic Cap'n Poncy Hawthorne possesses one of the most brilliant minds on the open sea. This buccaneer can repair anything from a parrot's beak to the ship's engine! Just stay on her good side, though, because sometimes, too much information can be a dangerous thing!

JOLLY TURNER

Spanish Pirate & First Mate on 'El Lobo del Mar'

Jolly Turner is a mild-mannered first mate and exceptional swordsman. Most see him as loyal yet naïve. Jolly has a funny quirk - he rhymes his sentences when he speaks. He thinks it gets him into a zone and makes him focus...especially during times of stress. Those around him find it quite hysterical at times.

BONNY ANNE BLACKBEARD

Irish Pirate & Helmsman of 'The Raging Cannon'

A major menace to maritime commerce in the Caribbean, Bonny Anne Blackbeard is the Irish-born Helmsman of 'The Raging Cannon!' Nothing goes awry if this buccaneer is navigating through the open waters. However, this is one feisty shipmate that's no stranger to rebellion. Rumor has it that her father is actually part of the East Indian Trading Company!

SIR HENRY BARBUROSA

Pillagin' Pirate Tavern Owner & Ex- Spanish Privateer

Sir Henry Barburosa is the ex-Leader of the Privateers on the open sea. He made his name in the Caribbean as one of the most dangerous and successful privateers and was even knighted by King Charles due to his successful commissioned attack on Jamaican soil! This blood-hungry tyrant, now the owner of the land-lubbin' Pillagin' Pirate Tavern, is known to be quite the prankster!

GUNPOWDER GRACE DARKWATERS

Irish Pirate & Second Mate on 'The Raging Cannon'

As a child, Grace Darkwaters took an axe to her long locks because her father claimed she couldn't sail without her hair being caught in the ship's ropes! Formally educated and with vast sailing experience from her years on her father's merchant ship, this second mate deals with her severe anger management issues by making up and performing 'angry poetry' when incensed.

CALICO JON RACKAM

English Pirate & Third Mate on 'The Black Onyx'

Calico Jon Rackam is the overly-romantic creator of the notorious Jolly Roger flag. Known for reciting the Pirate Code or romantic poetry whenever needed, this Third Mate's a tad clumsy especially when at sea - so mind your step on the ship and don't let this amorous klutz get near you. The way things have been going for Calico Jon lately, he'll most likely make the sky fall down next!

MARY 'THE DAGGER' REDD

Irish Pirate & Third Mate on 'The Raging Cannon'

Typically disguised as a male, this lady pirate is the outspoken Third Mate on The Raging Cannon. A force to be reckoned with, Mary 'The Dagger' Redd will diffuse any scuffles on her deck by landing the perpetrators flat on their backs with their ears ringing for days. This is one no-nonsense buccaneer that knows her job and takes complete control of her scene.

MONTBLOG 'AXE' HENRY

English Pirate & First Mate on 'The Yeti O' T' Sea'

As an English privateer, Montblog was definitely the least aggressive in the Caribbean Sea! Rumor has it that Montblog once captured a ship for the sole purpose of seizing the crew's hats...and then apologized to everyone on the way back to his ship! He gave up his captain's hat after his ship wrecked and now he's the first mate on the sea's first co-ed pirate ship. The Yeti O' T' Sea pirates are a tight knit crew known for their eccentricities and strong personalities!

MONTBLOG 'AXE' HENRY'S ALLIES

Deck Hands on 'The Yeti O' T' Sea'

Montblog has his own following on The Yeti O' T' Sea ship. A group of loyal deck hands follow Montblog's orders - even though he isn't the captain. The Yeti O' T' Sea pirates are a tight knit crew known for their eccentricities and strong personalities but their loyalties are certainly divided!

DORIS DANGER

Irish Pirate & Second Mate on 'The Yeti O' T' Sea'

This obnoxiously rude and narcissistic lady pirate is the second mate of the first and only co-ed pirate ship, The Yeti O' T' Sea. Rumor has it that she is planning a mutiny against her captain. The main problem with her plans is that hardly any of the crew can stand to be around her for more than a second...much less would they ever allow her to be captain! This behind the scenes power struggle might be the reason for her notoriously foul moods!

DORIS DANGER'S ALLIES

Deck Hands on 'The Yeti O' T' Sea'

Even the villains of the sea have dedicated followers! The Yeti O' T' Sea pirates are a tight knit crew known for their eccentricities and strong personalities, but their loyalties are certainly divided!

LANCILOT CABONDISH

English Pirate & Helmsman on 'The Yeti O' T' Sea'

First a merchant, then a privateer and now a ruthless pirate of the Caribbean Sea. Disliked by many due to his cruel ways and blatant disregard of The Pirate Code, Lancilot has got to realize his days are numbered. If he weren't the greatest Helmsman at sea, the captain of The Yeti would have already made this ill-mannered pirate walk the plank, for sure!

RUNA VIGGO

Scandinavian Pirate & Look Out on 'The Raging Cannon'

Runa Viggo is the daughter of a Scandinavian King and was set to marry a crowned prince of Denmark. To avoid her wedding, she escaped her homeland via a canoe and began her pirate life by raiding houses along the shoreline. She was eventually discovered by the lady pirates of The Raging Cannon! She suffers from an extreme obsessive compulsive disorder but is an excellent look out for The Raging Cannon ship. Too bad she wasn't looking out for this ship about 5 years ago when they were attacked by the men of the El Lobo Del Mar.

DUGAN VARNEY

English Pirate & Look Out on 'The Yeti O' T' Sea'

Despite being a hardnosed pirate, Dugan Varney considers himself a true man of honor and integrity...as far as pirates go, anyway! However, he will be the first one to exploit an opportunity through any loophole there is in any agreement he makes with you.

HERMIONE DEVINE

Irish Pirate & Deck Hand on 'The Raging Cannon'

A worthy crewman, Hermione Devine has a zero-tolerance policy for nonsense on the ship. She's a hard-working deck hand but a complete coward when it comes to fighting! During any attack on The Raging Cannon, this pirate diva seeks shelter in the sleeping quarters down below!

PINTEL WEATHERBY

English Pirate & Third Mate on 'The Yeti O' T' Sea'

Pintel Weatherby is fiercely loyal to his fellow shipmates on The Yeti O' T' Sea. He's a collector of many random things from the places he's been and often wears a lot of these treasures. Pintel's a little odd as his favorite thing to do is to sneak down below and watch the bilge rats fight!

MOTLEY CAPULET

English Pirate & Deck Hand on 'The Yeti O' T' Sea'

Motley Capulet is known as a free spirit with a slightly strange but utterly wise point of view. He's the accident prone deck hand on The Yeti O' T' Sea. Rumor has it that Motley's picked up a pirate curse at some point in his life! No pirate can be that unlucky!

BLACKHEART ROYAL

Spanish Pirate & Prisoner on the 'El Lobo del Mar'

Blackheart Royal was once a hard-working land-lubbing blacksmith until Cap'n Barnacle Burntbeard gave him an ultimatum of working on his pirate ship or coming aboard his ship and walking the plank into a slew of hungry sharks. Blackheart chose the first option and is currently being held captive on the El Lobo Del Mar. He is a tad self-absorbed and no stranger to mischief.

HARA NORRINGTON

Irish Pirate & Deck Hand on 'The Raging Cannon'

Hara Norrington is an ultra-focused and mission oriented deck hand on The Raging Cannon ship. She is one of the youngest and newest members of this all-female crew but has already sent her share of foes to their fates in Davy Jones Locker!

THIEVIN' DARBY SCARR

Irish Pirate & Deck Hand on 'The Raging Cannon'

Thievin' Darby Scarr is a notorious deck hand on The Raging Cannon ship. She's a sneaky thief so hold on to your loot! Darby can only see out of one eye and hear out of one ear, so she constantly situates herself on the right side as you speak to her.

EVE DREGG

Spanish Pirate & Deck Hand on 'The Raging Cannon'

Eve Dregg is the rebellious deck hand on The Raging Cannon. Eve strongly dislikes the sound of chewing, so she hums pirate songs while eating. Eve often ducks out when it is time to swab the deck as she despises chores or helping others. The other pirates on the ship are close to their breaking point with Eve.

ANN MARIE DEADBONES

English Pirate & Deck Hand on 'The Raging Cannon'

Ann Marie is the prim and proper deck hand on The Raging Cannon ship. She is an overly-honest pirate, even when the truth is to her own detriment. The other pirates on the ship turn to Ann Marie when they need a friend to listen to their sorrows. Ann Marie is a true and loyal friend...as far as pirates are concerned.

ALVILDA NEPTUNE

Scandinavian Pirate & Deck Hand on 'The Raging Cannon'

Alvilda Neptune is the beautiful femme fatale pirate of The Raging Cannon ship. Alvilda embraces her femininity, even while out at sea. She incessantly fidgets and fiddles with her face and hair. Her fellow pirates say she is just checking her appearance but Alvilda denies being vain and claims she is full of energy.

LEE SHIHO

Chinese Pirate & Deck Hand on 'The Raging Cannon'

Rumored to have stabbed her nanny with a table knife when she was only thirteen, this feisty pirate is the one to avoid if you know what is good for you. Lee has served on many pirate crews disguised as a man and has conquered more than her share of merchant ships and treasures in her pirate life.

CHARLOTTE CRICKETT

Irish Pirate & Deck Hand on 'The Raging Cannon'

Charlotte is the ruthless deck hand on The Raging Cannon. She is one of the newest on the crew and hails from a legendary ship called The Dark Fire sailed by a notoriously cruel pirate crew known to capture victims for cannon target practice.

INGELLA GATHENHELM

Swedish Pirate & Deck Hand on 'The Raging Cannon'

A daughter of a Swedish merchant sailor turned privateer; Ingella Gathenhelm is the most experienced deck hand on The Raging Cannon. Ingella has a difficult time taking orders from her superiors on the ship but rumor has it she is biding her time until she can take over the helm.

FLORITA BURNIDO

Spanish Pirate & Deck Hand on 'The Raging Cannon'

A former servant for Spanish royalty, Florita joined the crew of The Raging Cannon in search of a new life. Florita is a caring soul and is loyal to her crew but don't let her sunny disposition fool you; she has a hidden Spanish temper that will burst out if she is pushed to her limit.
