

# LIST OF PIRATES - FOR THE HOST

## Expansion Pack #1 (4 females 6 males)

These players can be played in any combination and are all optional to the game. However, they'll never know they were optional during game play as they will have the same materials as the required players.

### EXPANSION PACK #1

<p><b>MONTBLOG 'AXE' HENRY</b> <i>English Pirate &amp; First Mate on 'The Yeti O' T' Sea'</i></p> <p>Optional Male</p>	<p>As an English privateer, Montblog was definitely the least aggressive in the Caribbean Sea! Rumor has it that Montblog once captured a ship for the sole purpose of seizing the crew's hats...and then apologized to everyone on the way back to his ship! He gave up his captain's hat after his shipwrecked and now he's the first mate on the sea's first co-ed pirate ship. <i>The Yeti O' T' Sea</i> pirates are a tight knit crew known for their eccentricities and strong personalities!</p>	<p>Pirate costume. A black or red bandana tied around the head and a fake pirate earring as a prop. A fake sword or pirate pistol as another optional prop.</p>
<p><b>DORIS DANGER</b> <i>Irish Pirate &amp; Second Mate on 'The Yeti O' T' Sea'</i></p> <p>Optional Female</p>	<p>This obnoxiously rude and narcissistic lady pirate is the second mate of the first and only co-ed pirate ship, <i>The Yeti O' T' Sea</i>. Rumor has it that she is planning a mutiny against her captain. The main problem with her plans is that hardly any of the crew can stand to be around her for more than a second...much less would they ever allow her to be captain! This behind the scenes power struggle might be the reason for her notoriously foul moods!</p>	<p>Pirate costume. A fake sword as an optional prop.</p>
<p><b>LANCILOT CABONDISH</b> <i>English Pirate &amp; Helmsman on 'The Yeti O' T' Sea'</i></p> <p>Optional Male</p>	<p>First a merchant, then a privateer and now a ruthless pirate of the Caribbean Sea. Disliked by many due to his cruel ways and blatant disregard of <i>The Pirate Code</i>, Lancilot has got to realize his days are numbered. If he weren't the greatest Helmsman at sea, the captain of <i>The Yeti</i> would have already made this ill-mannered pirate walk the plank, for sure!</p>	<p>Brocade vest with a button up pirate-style shirt underneath. A bandana should be tied around the head and fake pirate earrings as optional props.</p>
<p><b>RUNA VIGGO</b> <i>Scandinavian Pirate &amp; Look Out on 'The Raging Cannon'</i></p> <p>Optional Female</p>	<p>Runa is the daughter of a Scandinavian King and was set to marry a crowned prince of Denmark. To avoid her wedding, she escaped her homeland via a canoe and began her pirate life by raiding houses along the shoreline. She was eventually discovered by the lady pirates of <i>The Raging Cannon</i>! She suffers from an extreme obsessive-compulsive disorder but is an excellent look out for <i>The Raging Cannon</i> ship. Too bad she wasn't looking out for this ship about 5 years ago when attacked by men of the <i>El Lobo Del Mar</i>.</p>	<p>Pirate costume. A fake sword and a spy glass as optional props.</p>

<p><b>DUGAN VARNEY</b> <i>English Pirate &amp; Look Out on 'The Yeti O' T' Sea'</i></p> <p>Optional Male</p>	<p>Despite being a hardnosed pirate, Dugan Varney considers himself a true man of honor and integrity...as far as pirates go, anyway! However, he will be the first one to exploit an opportunity through any loophole there is in any agreement he makes with you.</p>	<p>Brocade vest with a button up pirate-style shirt underneath. A bandana should be tied around the head and fake pirate earrings as optional props.</p>
<p><b>HERMIONE DEVINE</b> <i>Irish Pirate &amp; Deck Hand on 'The Raging Cannon'</i></p> <p>Optional Female</p>	<p>A worthy crewman, Hermione Devine has a zero-tolerance policy for nonsense on the ship. She's a hard-working deck hand but a complete coward when it comes to fighting! During any attack on <i>The Raging Cannon</i>, this pirate diva seeks shelter in the sleeping quarters down below!</p>	<p>Lace-up pirate style dress, sash type belt and a matching sash type head band under a feather adorned pirate hat. A fake sword as an optional prop.</p>
<p><b>PINTEL WEATHERBY</b> <i>English Pirate &amp; Third Mate on 'The Yeti O' T' Sea'</i></p> <p>Optional Male</p>	<p>Pintel Weatherby is fiercely loyal to his fellow shipmates on <i>The Yeti O' T' Sea</i>. He's a collector of many random things from the places he's been and often wears a lot of these treasures. Pintel's a little odd as his favorite thing to do is to sneak down below and watch the bilge rats fight!</p>	<p>Brocade vest with a button up pirate-style shirt underneath. Random 'items' should be worn in a necklace, beaded in fake dreadlocks, etc. of 'places you've been.'</p>
<p><b>MOTLEY CAPULET</b> <i>English Pirate &amp; Deck Hand on 'The Yeti O' T' Sea'</i></p> <p>Optional Male</p>	<p>Motley Capulet is known as a free spirit with a slightly strange but utterly wise point of view. He's the accident-prone deck hand on <i>The Yeti O' T' Sea</i>. Rumor has it that Motley's picked up a pirate curse at some point in his life! No pirate can be <i>that</i> unlucky!</p>	<p>Brocade vest with a button up pirate-style shirt underneath. A bandana should be tied around the head and fake pirate earrings as optional props.</p>
<p><b>BLACKHEART ROYAL</b> <i>Spanish Pirate &amp; Prisoner on the 'El Lobo del Mar'</i></p> <p>Optional Male</p>	<p>Blackheart Royal was once a hard-working land-lubbing blacksmith until Cap'n Barnacle Burntbeard gave him an ultimatum of working on his pirate ship or coming aboard his ship and walking the plank into a slew of hungry sharks. Blackheart chose the first option and is currently being held captive on the <i>El Lobo Del Mar</i>. He is a tad self-absorbed and no stranger to mischief.</p>	<p>A black pirate-style lace up shirt, pirate pants and boots. A black bandanna tied around the head and fake pirate swords as optional props.</p>
<p><b>HARA NORRINGTON</b> <i>Irish Pirate &amp; Deck Hand on 'The Raging Cannon'</i></p> <p>Optional Female</p>	<p>Hara Norrington is an ultra-focused and mission-oriented deck hand on <i>The Raging Cannon</i> ship. She is one of the youngest and newest members of this all-female crew but has already sent her share of foes to their fates in Davy Jones Locker!</p>	<p>Pirate costume. A fake sword and a pistol as optional props.</p>
