LIST OF PIRATES

CAP'N JACK BLACKSPARROW

English Pirate & Captain of 'The Black Onyx'

The gentleman Captain Jack Blacksparrow is one of the fiercest fighters on the open sea! Ironically, to evade dangerous situations, this pirate leader avoids physical fights with mere wit and skills of negotiation. This is one loyal and brave cliché-talking captain that would valiantly go down with his ship.

Suggested attire: pirate captain costume. A fake sword and an eye patch are optional props. A fake parrot sewn to the left shoulder as an optional prop.

LADY 'OCEAN DRAGON' SMYTHE

Irish Pirate & First Mate of 'The Raging Cannon'

Lady Smythe, better known as the Ocean Dragon, is the greedy treasure-seeking lady pirate. This pretty buccaneer isn't known to be loyal or trustworthy as she's infamous for using her skills of manipulation to guide her captain towards trouble... especially if there's pirate booty involved! In addition, this lady pirate is infamous for singing eerie pirate songs in times of unrest.

Suggested attire: pirate costume. A fake sword and an eye patch are optional props.

CAP'N BARNACLE BURNTBEARD

Spanish Pirate & Captain of 'El Lobo Del Mar'

Cap'n Barnacle Burntbeard will stop at nothing to get his hands on his next meal. This captain's appetite dictates his mood every second of the day. Just make sure this pirate has something to eat and all will go well on his ship. Rumor has it that this captain yearns to dance the paso doble and when nobody's watching, he shakes a tail feather with swabbin' mops.

Suggested attire: pirate captain costume. An eye patch, fake earring, and a fake pirate pistol are optional props. Orange beard as an optional accessory.

CAP'N PONCY HAWTHORNE

Irish Privateer & Captain of 'The Raging Cannon'

The charismatic Cap'n Poncy Hawthorne possesses one of the most brilliant minds on the open sea. This buccaneer can repair anything from a parrot's beak to the ship's engine! Just stay on her good side, though, because sometimes, too much information can be a dangerous thing!

Suggested attire: pirate costume. Rhinestone eye patch and a fake parrot sewn to the left shoulder are optional accessories.

JOLLY TURNER

Spanish Pirate & First Mate on 'El Lobo del Mar'

Jolly Turner is a mild-mannered first mate and exceptional swordsman. Most see him as loyal yet naïve. Jolly has a funny quirk - he rhymes his sentences when he speaks. He thinks it gets him into a zone and makes him focus...especially during times of stress. Those around him find it quite hysterical at times.

Suggested attire: pirate costume. A fake sword and an eye patch are optional props.

BONNY ANNE BLACKBEARD

Irish Pirate & Helmsman of 'The Raging Cannon'

A major menace to maritime commerce in the Caribbean, Bonny Anne Blackbeard is the Irish-born Helmsman of 'The Raging Cannon!' Nothing goes awry if this buccaneer is navigating through the open waters. However, this is one feisty shipmate that's no stranger to rebellion. Rumor has it that her father is actually part of the East Indian Trading Company!

Suggested attire: pirate costume. A fake sword as an optional prop. Rhinestone eye patch and a fake parrot sewn to the left shoulder of the costume are optional accessories.

SIR HENRY BARBUROSA

Pillagin' Pirate Tavern Owner & Ex- Spanish Privateer

Sir Henry Barburosa is the ex-Leader of the Privateers on the open sea. He made his name in the Caribbean as one of the most dangerous and successful privateers and was even knighted by King Charles due to his successful commissioned attack on Jamaican soil! This blood-hungry tyrant, now the owner of the land-lubbin' Pillagin' Pirate Tavern, is known to be quite the prankster!

Suggested attire: pirate costume. Since you're an ex-captain, you can still wear a captain's hat. Fake pirate earring as a prop. A fake sword or pirate pistol as another optional prop.

GUNPOWDER GRACE DARKWATERS

Irish Pirate & Second Mate on 'The Raging Cannon'

As a child, Grace Darkwaters took an axe to her long locks because her father claimed she couldn't sail without her hair being caught in the ship's ropes! Formally educated and with vast sailing experience from her years on her father's merchant ship, this second mate deals with her severe anger management issues by making up and performing 'angry poetry' when incensed.

Suggested attire: pirate costume. A fake sword as an optional prop. Leather eye patch as an optional accessory.

CALICO JON RACKAM

English Pirate & Third Mate on 'The Black Onyx'

Calico Jon Rackam is the overly-romantic creator of the notorious Jolly Roger flag. Known for reciting the Pirate Code or romantic poetry whenever needed, this Third Mate's a tad clumsy especially when at sea - so mind your step on the ship and don't let this amorous klutz get near you. The way things have been going for Calico Jon lately, he'll most likely make the sky fall down next!

Suggested attire: brocade vest with a button up pirate-style shirt underneath. A bandana should be tied around the head and fake pirate earrings as optional props.

MARY 'THE DAGGER' REDD

Irish Pirate & Third Mate on 'The Raging Cannon'

Typically disguised as a male, this lady pirate is the outspoken Third Mate on The Raging Cannon. A force to be reckoned with, Mary 'The Dagger' Redd will diffuse any scuffles on her deck by landing the perpetrators flat on their backs with their ears ringing for days. This is one no-nonsense buccaneer that knows her job and takes complete control of her scene.

Suggested attire: pirate costume. A fake sword and an eye patch are optional props.

MONTBLOG 'AXE' HENRY

English Pirate & First Mate on 'The Yeti O' T' Sea'

As an English privateer, Montblog was definitely the least aggressive in the Caribbean Sea! Rumor has it that Montblog once captured a ship for the sole purpose of seizing the crew's hats...and then apologized to everyone on the way back to his ship! He gave up his captain's hat after his ship wrecked and now he's the first mate on the sea's first co-ed pirate ship. The Yeti O' T' Sea pirates are a tight knit crew known for their eccentricities and strong personalities!

Suggested attire: pirate costume. A black or red bandana tied around the head and a fake pirate earring as a prop. A fake sword or pirate pistol as another optional prop.

MONTBLOG 'AXE' HENRY'S ALLIES

Deck Hands on 'The Yeti O' T' Sea'

Montblog has his own following on The Yeti O' T' Sea ship. A group of loyal deck hands follow Montblog's orders - even though he isn't the captain. The Yeti O' T' Sea pirates are a tight knit crew known for their eccentricities and strong personalities but their loyalties are certainly divided!

Suggested attire: pirate deck hand costume.

DORIS DANGER

Irish Pirate & Second Mate on 'The Yeti O' T' Sea'

This obnoxiously rude and narcissistic lady pirate is the second mate of the first and only co-ed pirate ship, The Yeti O' T' Sea. Rumor has it that she is planning a mutiny against her captain. The main problem with her plans is that hardly any of the crew can stand to be around her for more than a second...much less would they ever allow her to be captain! This behind the scenes power struggle might be the reason for her notoriously foul moods!

Suggested attire: pirate costume. A fake sword as an optional prop.

DORIS DANGER'S ALLIES

Deck Hands on 'The Yeti O' T' Sea'

Even the villains of the sea have dedicated followers! The Yeti O' T' Sea pirates are a tight knit crew known for their eccentricities and strong personalities but their loyalties are certainly divided!

Suggested attire: pirate deckhand costume.

LANCILOT CABONDISH

English Pirate & Helmsman on 'The Yeti O' T' Sea'

First a merchant, then a privateer and now a ruthless pirate of the Caribbean Sea. Disliked by many due to his cruel ways and blatant disregard of The Pirate Code, Lancilot has got to realize his days are numbered. If he wasn't the greatest Helmsman at sea, the captain of The Yeti would have already made this ill-mannered pirate walk the plank, for sure!

Suggested attire: brocade vest with a button up pirate-style shirt underneath. A bandana should be tied around the head and fake pirate earrings as optional props.

RUNA VIGGO

Scandinavian Pirate & Look Out on 'The Raging Cannon'

Runa Viggo is the daughter of a Scandinavian King and was set to marry a crowned prince of Denmark. To avoid her wedding, she escaped her homeland via a canoe and began her pirate life by raiding houses along the shoreline. She was eventually discovered by the lady pirates of The Raging Cannon! She suffers from an extreme obsessive compulsive disorder but is an excellent look out for The Raging Cannon ship. Too bad she wasn't looking out for this ship about 5 years ago when they were attacked by the men of the El Lobo Del Mar.

Suggested attire: pirate costume. A fake sword and a spy glass as optional props.

DUGAN VARNEY

English Pirate & Look Out on 'The Yeti O' T' Sea'

Despite being a hardnosed pirate, Dugan Varney considers himself a true man of honor and integrity...as far as pirates go, anyway! However, he will be the first one to exploit an opportunity through any loophole there is in any agreement he makes with you.

Suggested attire: pirate costume. Fake pirate earrings as optional props.

HERMIONE DEVINE

Irish Pirate & Deck Hand on 'The Raging Cannon'

A worthy crewman, Hermione Devine has a zero tolerance policy for nonsense on the ship. She's a hard-working deck hand but a complete coward when it comes to fighting! During any attack on The Raging Cannon, this pirate diva seeks shelter in the sleeping quarters down below!

Suggested attire: lace-up pirate style dress, sash type belt and a matching sash type head band under a feather adorned pirate hat. A fake sword as an optional prop.

PINTEL WEATHERBY

English Pirate & Third Mate on 'The Yeti O' T' Sea'

Pintel Weatherby is fiercely loyal to his fellow shipmates on The Yeti O' T' Sea. He's a collector of many random things from the places he's been and often wears a lot of these treasures. Pintel's a little odd as his favorite thing to do is to sneak down below and watch the bilge rats fight!

Suggested attire: pirate costume. Random 'items' should be worn in a necklace, beaded in fake dreadlocks, etc. of 'places you've been.'

MOTLEY CAPULET

English Pirate & Deck Hand on 'The Yeti O' T' Sea'

Motley Capulet is known as a free spirit with a slightly strange but utterly wise point of view. He's the accident prone deck hand on The Yeti O' T' Sea. Rumor has it that Motley's picked up a pirate curse at some point in his life! No pirate can be that unlucky!

Suggested attire: brocade vest with a button up pirate-style shirt underneath. A bandana should be tied around the head and fake pirate earrings as optional props.

BLACKHEART ROYAL

Spanish Pirate & Prisoner on the 'El Lobo del Mar'

Blackheart Royal was once a hard-working land-lubbing blacksmith until Cap'n Barnacle Burntbeard gave him an ultimatum of working on his pirate ship or coming aboard his ship and walking the plank into a slew of hungry sharks. Blackheart chose the first option and is currently being held captive on the El Lobo Del Mar. He is a tad self-absorbed and no stranger to mischief.

Suggested attire: black pirate-style lace up shirt, pirate pants and boots. A black bandanna tied around the head and fake pirate swords as optional props.

HARA NORRINGTON

Irish Pirate & Deck Hand on 'The Raging Cannon'

Hara Norrington is an ultra-focused and mission oriented deck hand on The Raging Cannon ship. She is one of the youngest and newest members of this all-female crew but has already sent her share of foes to their fates in Davy Jones Locker!

Suggested attire: pirate costume. A fake sword and a pistol as optional props.
