

List of Nominees

Note: all 5 CEOs from this pack must be played in the game if you use this expansion pack. This makes a 75 player minimum to the game with 15 CEOs (teams) and at least 4 players per team to support the CEO. On the other hand, this allows the game to be expanded into 225+ players, as you can put ~ 15 players with each CEO.

It is optimal for the supporting players to be seated with their CEO, but not mandatory.
