An aficionado of the macabre, Eddie runs the editorial department at the Wraith's Cove Daily after giving up on a dream career as a freelance poet. Due to Eddie's self-loathing state of mind, Eddie's estate is in a sullied condition and dire need of repairs.

Flynn Moriarty **Journalist, Wraith's Cove Daily**

Flynn Moriarty exists behind a smokescreen of a glitzy swirl of high society shindigs and life without boundaries or limits. Behind the curtains, Flynn drones on about a failed career and empty trust fund. Flynn faces the world with utterly nothing but the power of a charismatic personality. Due to Eddie Poe being a childhood friend, Flynn recently landed a job with the Wraith's Cove Daily as an entry-level field journalist, reporting on local bake sales, ice cream socials, and farm festivals. Flynn has the potential to be a success in the field if an inflated ego and a bottomless barrel of pride do not ruin everything.
