Lincoln Dangerfield **Police Psychologist**

A perplexing individual with a silver tongue and a dark past, Lincoln has finally figured out the world and is a contributing member of society. As a youth, Lincoln underwent a misguided rebellion and dropped out of high school to become a street hooligan. Today, Lincoln is a morally ambiguous and infallible police psychologist for the city of Wraith's Cove. Lincoln is oddly calm when predicting misfortune and devastation.

Logan Finch **Office Manager, Wraith's Cove Daily**

An American of Irish descent, Logan is an office manager at the Wraith's Cove Daily who is obsessed with workplace power-plays and revenge plots. A merciless ladder climber who never compromises, Logan is a gossipmonger when tittle-tattle has the promise to lead to advancement in rank at the newspaper. Logan prefers to be alone when possible and is anything but altruistic.

Zane Katz **Agent, undisclosed federal agency**

Zane Katz is a deeply philosophical federal agent. Rather aloof with expensive tastes, Zane's a worldly, refined individual who people easily come to trust. Nobody knows which agency Zane works for and if Zane is in Wraith's Cove for business or pleasure. The agent was invited to Poe's Raven Party and was first to return an RSVP card. This is troubling to those on the guest list with shady pasts and less than honorable intentions.

Brock Falstaff **Unemployed**

Brock Falstaff is an academic genius who constantly makes a mess of situations. Bored with mundane life, this scholar creates perilous scenarios purely for the enjoyment derived from evading the predicaments. Brock is unemployed yet intermingles with the hollow upper-class world. Both witty and charming, Brock is a manipulator with a propensity for using wealthy friends to obtain undeserved luxuries and to fund an extravagant shopping habit.

Danny Drake **Forensic Anthropologist**

With a childlike charm and wonder, Danny Drake is a forensic anthropologist for the Wraith's Cove Crime Lab. Hailing from an impoverished background - Danny deplores the upper crust of society. Hungry for attention, Danny holds the center stage of any room and often reminisces about when Danny's mother gave up everything for a failed attempt at Danny becoming a child star. This lab dweller embraces never-ending grudges and blames society for everything wrong in life.

Eddie Poe **Editor-in-Chief, Wraith's Cove Daily**

With a primal instinct of survival, shrewdness, and deceitfulness, Eddie Poe is editor-in-chief at the Wraith's Cove Daily. A loner drove to seclusion from heartbreak and an unfortunate sequence of misfortunes, Eddie has an attachment to a strict routine and will become enraged if anyone gets in the way. An aficionado of the macabre, Eddie runs the editorial department at the Wraith's Cove Daily after giving up on a dream career as a freelance poet. Due to Eddie's self-loathing state of mind, Eddie's estate is in a sullied condition and dire need of repairs.

Flynn Moriarty **Journalist, Wraith's Cove Daily**

Flynn Moriarty exists behind a smokescreen of a glitzy swirl of high society shindigs and life without boundaries or limits. Behind the curtains, Flynn drones on about a failed career and empty trust fund. Flynn faces the world with utterly nothing but the power of a charismatic personality. Due to Eddie Poe being a childhood friend, Flynn recently landed a job with the Wraith's Cove Daily as an entry-level field journalist, reporting on local bake sales, ice cream socials, and farm festivals. Flynn has the potential to be a success in the field if an inflated ego and a bottomless barrel of pride do not ruin everything.

A deductive mastermind who utilizes a superior mind for the good of the town, Landry is in tune with the seedy minds of humanity's underbelly.

Gray Golightly Owner, Golightly Escape Experience

Corrupt, wicked, and dangerous to associate with, Gray Golightly possesses an unchained, thoughtless persona. Gray's a heartless and contemptuous troublemaker who uses people like a hairbrush – for their functionality. Take Gray's words lightly, as Gray's life is one big fairytale narrated by an imaginative mind. Gray's a hipster who lives for wicked adventures and plays the cello with a disturbing lack of talent. Gray is currently being investigated by Landry Nevermore for multiple disappearances of thrill seekers who have entered the Golightly Escape Experience.

Dr. Fox Illusionist

A budding artist and famous escapist, Dr. Fox discharges all creative energies into maintaining the House of Dread – a performance theater and ghoulish museum of artifacts associated with deadly attempts at magic. Dr. Fox was chiseled from the stone which gives forth fierce, bold types. A no-nonsense creature of habit, Dr. Fox is disciplined and determined to make history in the field of illusion. This illusionist has suffered a lifetime of great injustices and sadness, so the hair-raising, sinister magic shows at the theater are reflective of the past.

Jess Sherlock Writer

Of all the chilling guests on Poe's invite list, Jess Sherlock is the most mysterious. A struggling writer, blatantly embracing life with a drive fringing on recklessness, Jess has a serene detachment from a visible path of self-destruction. Lacking awareness or concern for well-being or comfort, Jess intentionally enters harm's way. Jess has penned over thirty best-selling novels of the undead and lives in a mansion overlooking Wraith's Cove, next door to the envious Eddie Poe.

Lolo Trotsky Private Investigator

A conventional rogue, Lolo Trotsky is a larger than life private investigator. A riotously amusing vigilante who believes to be a modern-day Robin Hood, Lolo rejects societal rules and does whatever is needed to get the job done. Often called a bully, Lolo claims it is merely that Lolo's way is best and others may not realize what is good for them. Lolo is the archenemy of Landry Nevermore, as they are often working the same murder cases – albeit, the victim's families hire Lolo.

A streetwise facade with a heart of an innocent child – you'll find yourself cheering for this antihero.

Paige Shandy CTO, Wraith's Cove Daily

Paige Shandy is the chief technology officer at the Wraith's Cove Daily. Cynical with little redeeming qualities, Paige is utterly obnoxious and taxing to be around. An acknowledged computer hacker and suspected member of an international hacking group, this CTO is not to be toiled with, albeit many have tried and failed epically. Paige can be terrifying and intimidating, but on a second's notice, Paige turns gentle as a lamb. Paige's duo of personalities keeps everyone guessing.

Invited Guests

Hollis Heep **Undertaker**

Hollis Heep was well-born, but a long string of catastrophic events led this funeral director down a path of calamity and eventual isolation. Impoverished, Hollis's adulthood has been nothing but social decent. Hollis exists within a solitary realm on the margins of high society, secluded from former friends, family, and colleagues. Hollis views people with money as morally corrupt and chooses only to associate with fellow undertakers and cemetery workers.

Dom Sorel **Comic Book Store Manager**

With an affirmative and positive nature, Dom Sorel operates the Comic Emporium with smiles, flattering lingo, and pure altruism. The townsfolk of the city regularly pop their heads into Dom's store – if only for a morale boost to get through the dark days in the crime-riddled city.

Linden Zhivago **Retired Broadway Performer**

Linden Zhivago retired from the limelight and moved a large family to Wraith's Cove. This former star often worries about the next generation of Zhivagos not filling the tap shoes and top hats. Oblivious to all immediate surroundings, Linden needs to be bothered about his/her offspring, referred to on the streets as the Zhivago Ten, who are incapable and unwilling to fit into society. This band of unruly twin sets is making a name for themselves - but more of a name fit for a chalk-scrawled mug shot photo – not for the bright lights of Broadway.

Kennedy March **Assignment Reporter, Wraith's Cove Daily**

Jackie Pan **Advertising Executive, Wraith's Cove Daily**

Izzy Diamond **Mob Boss, WC Mob**

Izzy Diamond is easily the most interesting person in Wraith's Cove.
