CHARACTER	BRIEF BIO	SUGGESTED ATTIRE / PROPS
<b>JAY BOND</b>  <i>FBI Agent</i> <i>Optional Male</i>	Jay Bond is a meticulous and hardnosed Federal Bureau of Investigation (FBI) agent. Jay takes everything in life seriously and doesn't have a shred of a sense of humor. He believes everybody is up to no good. The only reason he accepted Sunny Shinewell's invitation is probably because he is working on a case or maybe holding a grudge against another guest.	<i>Poolside attire. A toy gun and a fake earpiece are optional props.</i>
<b>STAN GRABLE</b>  <i>College Student</i> <i>Optional Male</i>	Stan Grable is the ultimate 'Big Man on Campus' at Sun Valley College. He's the president of the Alpha Beta Fraternity, the quarterback of the Sun Valley College football team, and the student body president. He also devotes hours of his free time to local no-kill animal shelters. Stan seems like the perfect man on the surface. However, seeing how he treats the nerds at school, you'll quickly change your opinion of him.	<i>Very trendy poolside attire.</i>
<b>BEAU TOCKSAN</b>  <i>Cosmetic Surgeon</i> <i>Optional Male</i>	Details, details, <i>details!</i> If you speak to Dr. Beau Tocksan, you better prepare for many intricate fine points and facts! This is one over-explaining cosmetic surgeon who is always ready to give you sound medical advice about how he can take 'years off' and make you look like your celebrity of choice. Many people don't appreciate Beau's constant analysis of their appearance, but others see it as a free consultation.	<i>Poolside attire. Fake business cards are an optional prop.</i>
<b>MIDAS KING</b>  <i>Entrepreneur</i> <i>Optional Male</i>	There is absolutely nothing that Midas King can't do! He is constantly starting new business ventures—from creating his record label to opening a motorpark! This industrialist has his hands in almost everything! Some say it's as if he lives his life under a 'good luck spell' because if Midas wants it to succeed, it does! Funny enough, this wealthy success story aspires to become a standup comic one day.	<i>Poolside attire. Fake money pouring out of every pocket, etc., is optional.</i>
<b>SANDY FISHWELL</b>  <i>National Beach Volleyball Champion</i> <i>Optional Female</i>	Sandy Fishwell is the fun-loving childhood friend of Tanny Waters and Speed O. Blue. If you need advice on exercise, diet, or volleyball - she's the one to visit! Don't let her overly friendly and fake persona get to you; she has good overall intentions. Sandy has always been one to cut a rug every time her friend Tanny sings a tune! These two make a peculiar yet entertaining pair!	<i>Poolside attire. Volleyball is an optional prop.</i>
<b>ADOLPHI SHARX</b>  <i>Marine Biologist</i> <i>Optional Female</i>	Adolphi Sharx is the nerdy head marine biologist from the local amusement park <i>Ocean World</i> . Beware if you say anything slightly amusing around this animated brainiac, as your ears will split from loud, crazy laughter! Adolphi is rather sensitive about the recent public scrutiny of the waterpark and has asked her friends not to bring up the topic around her. She claims she is a researcher and has nothing to do with the <i>performance</i> side of the park.	<i>Conservative/nerdy poolside attire. Glasses with a taped bridge are an optional prop.</i>
