ATTENDEES OF THE BALL

RANSOM SIENNA

Wardrobe Stylist

Ransom is a vegan who wears leather and drinks milk with every meal. A chatty wardrobe artist - you can hire Ransom to hunt the stores for your perfect fit and style. Ransom is afraid to fly or travel by bus or train, so s/he will tell the tales of their siblings' travel to appear more interesting and cultured. Ransom will zone out during chats but will pretend to have heard what you just said.

MAX IVORY

Chocolatier, Godovo Chocolates

Max Ivory is the peculiar chocolatier at Godovo Chocolates. Max's kitchen overlooks the store's retail floor, so Max stares out at the customers, which can be a bit bizarre at times. Max hums under their breath and must smell everything from food to friends and everything in between.

SKYLAR PEACH

Escape Room Designer

Skylar Peach is the escape room designer at *Prison Rooms* – the escape room entertainment center in Sutton Springs. Skylar is super frugal, which can get a bit annoying if you're ever in a situation to split the cost of something, such as a bill at a restaurant. With clenched teeth and fists, Skylar is wound up so tight that you can almost see the tension hovering in the air.

CHARLIE SCARLET

Meteorologist

With a childhood dedicated to predicting weather patterns, it was no shock that Charlie ended up as the chief meteorologist for the local news station of Sutton Springs. Charlie is a repetitive blinker who spews terrible one-liners, which can be a bit annoying. Charlie spends all of their free time away from the television station whittling wooden whistles.

ASHLAND LEMON

Private Detective

Ashland Lemon isn't the most popular person in Sutton Springs. Anyone can hire Ashland for private investigations, but on the side - Ashland will snap photographs of celebrities on vacation and sell them to the highest bidder. Usually, the unauthorized and sometimes scandalous pics end up in trash tabloids, reducing the draw of Sutton Springs for celebrities. Ashland hiccups when they are put on the spot and often tries to rhyme sentences to no avail.

ORAN SALMON

Destination Wedding Photographer

Oran Salmon may be hired to travel with you to your destination wedding as your photographer. Oran creates wonderfully themed wedding photographs and has a stellar reputation worldwide. Oran has a bad habit of picking their teeth and sneezes when someone says their name. Each night, Oran claims to have a prophetic dream of their tragic death, which Oran believes will occur the following day. But Oran still walks among the living, so the dreams don't appear to be prophetic at all.

MERCURY MAGENTA

Hotel Manager

Mercury Magenta manages *Regal Rose Resort*, a luxury hotel in Sutton Springs that caters to the rich and famous. Mercury is terrified of the dark and is continuously humming eerie tunes, which can be off-putting. Mercury's hands are ice cold to the touch. This is due to poor circulation or maybe just bad genes in the Magenta bloodline.

BADEN LAVENDER

Cruise Director

From volleyball tournaments to the buffet lines to storytime for the kiddos on the open seas, Baden Lavender directs the *Sun & Sea Cruise Ship* operations, operated by *Bermuda Triangle Cruise Lines*. Baden is a neat freak, and everything in Baden's space must be orderly - arranged in perfect stacks, dust-free, and sanitized. Clutter and filth are Baden's mortal enemies.

BLAINE GRAY

Mayor Moon's Administrative Assistant

Blaine Gray is Mayor Moon's loyal assistant. From scheduling appointments to answering phones, Blaine takes care of the mayor's daily routine. Blaine is terrified of anything that flies. Blaine dodges fruit flies, refuses to go outdoors if a plane is near, and walks under an umbrella outside to avoid making eye contact with birds.

DRU SILVER

Airline Pilot

Dru Silver is a commercial airline pilot for Brawny Airlines. Dru starts a question by saying, 'I must inquire,' and ends a chat with the phrase, 'conversation terminated.' Lately, the flights with Brawny Airlines have been quite turbulent. There have been anonymous reports that Dru might not be paying attention to the cockpit instrument panel as much since Dru is hooked on a game through an app on a cellular device.

KYDEN GREEN

Marine Biologist

Kyden Green travels along the coastline with a group of grant-funded researchers that study sharks' habits and behaviors. With a 100% disposable income salary, Kyden often boasts about their worldly possessions. Kyden has an undying need to celebrate every possible holiday known to humankind.

ROGUE ECRU

Journalist, The Daily Scoop

Rogue Ecrú is a journalist who will do anything to break a story. Rogue acts nervous, never sits still, and has their chin glued to a shoulder with eyes on what lurks from behind. Rogue doesn't have many friends in town, as chances are - most people with something to hide have been a victim of a story in *The Daily Scoop*.

YANNY BROWN

Cat Behavioral Consultant

Yanny Brown is a cat behavior consultant. Not known for getting along with humans very well, Yanny runs a cat blog and sticks to their expertise - *cats*. The blog covers anything from cat health to cat memes and has over 200K followers. Yanny sings the last few words of each sentence, which can be tiring to be around for too long.

QUINDLEN OLIVE

Music Therapist

Quindlen Olive is a freelance music therapist who may be hired for schools, retirement centers, camps, and health facilities. Quindlen Olive has a Ph.D. in music theory and an MS in psychology. This doc believes music can heal any ailments - physical and mental. Quindlen lives with an overly-guilty conscious and always must take the blame for everything that goes wrong - just so the real culprit doesn't have to take responsibility.

ZEPHAN BLUE

Voice Actor

Zephan Blue voices the personality of *Big Blue* – one of the most well-loved canine cartoon characters in the world. Zeph is a constant over-exaggerator and is quick to top any story you might tell. As Zeph's tale spews forth from their lips, it becomes more extravagant – especially if there is a captive audience. Zeph loves the sound of their voice and has a vivid imagination.

SEELEY GOLD

Concert Promoter

Seeley Gold works with band managers worldwide to book and promote upcoming concerts and music festivals. Seeley believes the world is flat and will continually modify their name ever so slightly each time they introduce themselves.

OAKLEY PLUM

Robotics Engineer

Oakley is a robotics engineer for *Bonified Industries* - a global electronics corporation headquartered in Sutton Springs. Oakley has difficulty controlling the volume of their voice and is embarrassed by the sound of their horrendous laugh. For that reason, Oakley will attempt to lurk in the shadows and soak up the information flowing in the room passively. Oakley always references how their mother would feel about any given situation.
