Synopsis

Twilight Cove is a mysterious city by the bay filled with secrets, scandals, and intriguing personalities. The metropolis is the home base of a dangerous international crime syndicate, Eclipse. The agents of this secretive organization live their lives as innocuous people – free from the federal government’s radar. Dark Core is the anonymous crime boss of Eclipse and has called for a Saints & Sinners-themed gala at The Crescent Hotel. All Eclipse agents are required to attend. There may be moles posing as members of Eclipse, but Dark Core is on a mission to find out who is loyal and who is working undercover for the feds.

You are an Eclipse agent and know you will not live long if you fail to attend this cloak-and-dagger event. Eclipse can wipe out all traces of you from the face of the Earth – both digital and physical. Will Dark Core finally reveal their identity? Nobody knows the answer to this, but you should be afraid if you are one of the spies.

Your instructions from Dark Core are to dress as a saint or a sinner to the celebration – it’s your choice. Please realize that Dark Core always has a reason for every action. Will your attire at the party give away your loyalties? Only time will tell. This is where your story begins.

Example Timeline

7:00 PM: Guests arrive. Take guest photos and serve refreshments. Have the Eclipse Member list (i.e., guest list) available for players to view as they trickle into the party. Once everybody has arrived, snap a group photo!

7:10 PM: The host goes over the player instructions for the mystery game or plays the player instruction video. It is optional to have each character stand up and introduce themselves to the group. You can play the game trailer video for an introduction.

7:20 PM: Play the introduction video before passing out the round one clue cards. The players mingle and discuss the clues on their clue cards. Motives will start to unfold during this round.

7:50 PM: An optional bonus game is played.

8:05 PM: An optional dinner is served. Snacks can be served throughout the party instead.

8:35 PM: The round two envelopes are handed out, and the players mingle with their **pre-murder** clues.

9:00 PM: The victim is revealed, and the investigation of the crime begins. The mystery investigation sheets are handed out, and the players interrogate each other (using the **post-murder** clues). Each player should interview every player in the game at least once.

9:15 PM: The forensic report is revealed.

9:20 PM: The second victim is revealed.

9:30 PM: The investigation sheets (guesses of whodunit) are turned in to the host. After the sheets are collected, the players may take turns accusing who they believe did it.

9:45 PM: Dessert and coffee may be served at this time. The round three solutions are handed out to the players. Each player presents their solution, and the murderer confesses at the end. Allow a few minutes for the players to mingle at the end to discuss the mystery.

10:00 PM: Another optional bonus game may be played &/or host an optional awards ceremony!

To shorten the mystery party, omit the bonus games, don't stop for dinner, omit the accusation round, and don't host an awards ceremony. Also, you can shorten the game even further by only having the required players read their solutions (or even just the murderer). If you wish to extend the length of the party, add more bonus games!

OPTIONAL PRE-GAME TASKS:

Character C

OPTIONAL: FOR SOME PRE-PARTY FUN, CONTACT THE FOLLOWING GUESTS:

Respond to the guest playing Character Y and say you refuse to fly with a virus that mimics death in the infected. If you were to become infected while flying, the plane would go down and everyone aboard would be killed. That will not happen on your watch. You are a valuable Eclipse agent, and you're sure Dark Core would agree.

(If Character Y fails to contact you, skip this task.)

Contact the guest playing Character R and say you cannot wait until the trial run is complete and character R becomes mayor. You're ready for new blood to run Twilight Cove. You hope character R will remove all of the regulations of the private airport. You find the current codes of practice be far too stringent.

CONTACT INFO:

Contact the guest playing character B and say you cannot wait for the upcoming Saints & Sinners party. Has s/he picked out any attire yet? Will s/he be a saint or sinner? You have no idea what you'll choose or what Dark Core will think of either choice. You don't want to make the wrong decision. You feel as though you're being set up.

CONTACT INFO:

**Note: if anyone asks, you do not believe you've done anything wrong, so you are not in trouble with Dark Core.*

Each player will have a pre-game task card with the purchased game. Names removed to prevent spoilers.

CHARACTER Y – ROUND ONE

DISCUSS THE FOLLOWING WITH OTHERS:

- All Eclipse members are required to stay physically fit in case the doomsday order is called. You work out daily.
- Eclipse has three divisions: the Blitzers, the Earners, and the Fixers. The Blitzers provide the offense – they are made up of weapon distributors, henchmen, assassins, and biological warfare scientists. The Earners provide the organization with an income which varies from legitimate businesses to pickpockets. Talk to others about what division they work for in Eclipse and what their primary job is with the organization. You are a Fixer. You remove all forensic evidence against Eclipse agents in Twilight Cove. You keep Eclipse agents out of the courtroom. However, you have no idea how there was evidence planted at a crime scene against Character G. This had to be an inside job by an Eclipse member, as the evidence got by you.
- You wonder how Character E got so many scars.

PERSONAL INFORMATION:

- Character S does crime scene cleanup for Eclipse and planted character W's hairs at a crime scene that didn't even involve an Eclipse agent. That's how it got by you, as you weren't notified it was an Eclipse crime scene. You are furious with Character S. Obviously, s/he has an issue with character W, but that isn't the way to handle things!
- You are constantly texting with your grandmother on your mobile device. You don't want to tell anyone that, however.

Each player will have a round one card with the purchased game. Names removed to prevent spoilers.

ROUND TWO CLUE CARDS

CHARACTER – ROUND TWO

DISCUSS THE FOLLOWING BEFORE THE MURDER:

- Anyone who refuses to talk about their family may be the mole. It's difficult to keep up with lies.
- If you're accused of being the mole, say you're one of the oldest agents, and have had many opportunities to bring the organization down.
- Talk about how Character G flew on your airlines & complained about turbulence the entire time. Admit you're not a licensed pilot, but you wanted to join Eclipse and needed a function. So what! You have a perfect flight record! Licenses won't matter in Eclipse's new world.
- Talk about how Character V is reckless.

POST-MURDER FACTS TO DISCUSS:
