PANDORA

VILLAIN

Pandora is the notorious crime boss of Shadow Falls. She rules the underground with an iron fist. Anyone who dares to double-cross her lives to regret it...*if they even live to tell the tale*. Pandora has many allies around the globe. Her closest friend is a pyrotechnics terrorist from the Netherlands named Flame.

THE TORCH

VILLAIN

The Torch is one of the most feared villains. The Torch can set fire to anything using an arsenal of blow torches. The Torch has an alien appearance due to an unfortunate accident in a science lab as a child. This mishap provided this villain with superhuman strength and the ability to shoot fire from all ten fingertips.

GANDORE

HERO

Gandore is from a faraway planet named Ellendale, a planet that had been depleted of resources centuries ago. The people of Ellendale had scattered across the galaxy, but Gandore is the only who landed on Earth. Gandore has many superpowers and hasn't aged since arriving here. The immortal hero is a villain's worst nightmare. Gandore is known as the protector of the Shadow Falls city streets.

DART

HERO

Many years ago, Dart stumbled across a puddle of glowing radioactive waste. Thinking it was pretty - she put the radiant jelly in a jar and brought it home. She recently learned how to fly and is becoming one of the most valuable members of the *Freedom League of Heroes*.
