

# LIST OF SUSPECTS FOR EXPANSION PACK #1

All expansion pack players are optional and can be played in any combination. For the full character list of all players, download the free invitation that includes the expansion pack players, which is located on the expansion pack page on My Mystery Party.

CHARACTER NAME AND OCCUPATION	CHARACTER DESCRIPTION	COSTUME SUGGESTIONS
 <p><b>MONARCH</b> Villain <i>Optional Female</i></p>	<p>Monarch is an arrogant villain from Paris, France. She has an army of butterflies that are always waiting for her to summon them. You may think butterflies are sweet creatures, but once you see how ruthless they can be – you'll never look at them the same. Monarch is known to throw violent temper tantrums when she doesn't get her way.</p>	<p>Any costume that has butterflies on it. You can make them out of paper and simply adhere them to any unitard, shirt, etc. with tape or fabric glue. Use face makeup to paint butterflies on your face &amp; hands.</p>
 <p><b>GOLD</b> Hero <i>Optional Either</i></p>	<p>Gold is an obnoxious semi-professional wrestler and budding superhero from Texas. S/he has recently started to comb the streets of Austin on a nightly basis, but the Austin Police Department think s/he is nothing but a buffoon in a costume looking for a fight. Gold would love to one day prove s/he is an asset to the police department.</p>	<p>Gold mask of any kind and an outrageous superhero costume or leather outfit, etc.</p>
 <p><b>POISON</b> Hero <i>Optional Female</i></p>	<p>Poison has always teetered on both sides of the law, but in the end, crime fighters all know she has their backs. She recently was inducted as an official member of the <i>Freedom League</i> and Gandore hopes that will be enough to keep Poison on the good side where she belongs. Poison loves to travel, so she really doesn't have a place that she calls home.</p>	<p>Green superhero costume with a red wig. Leaves, ivy, etc. as accents to your costume and makeup.</p>
 <p><b>JESTER</b> Villain <i>Optional Either</i></p>	<p>Jester is a drifting villain who wreaks havoc wherever s/he goes. Jester is a friend to no one, but claims to be allied with the villains of the world. Jester's mean spirited nature might have been caused from an alien spider bite that gave him/her powers to shape-shift into inanimate objects. However, the more Jester uses superpowers, the more alien in appearance s/he appears.</p>	<p>Black cloak or hoodie with zombie-like makeup.</p>

**PARADOXO**  
*Villain*

*Optional Either*

Paradoxo was once listed at the top of the prestigious Forbes Magazine list of *Entrepreneurs of the Year*. Now, this multi-millionaire spends his/her time inventing weapons to use against the superheroes of the world. Paradoxo has made it his/her life mission to see to it that all superheroes are exterminated. Sources say this is because something happened to Paradoxo as a child and s/he wants revenge.

*Steampunk eyepiece and a superhero costume with steampunk gears & gadgets. Find interesting weapons, lights to call weapons, etc. as props.*

**MASSIVE  
MOUSE**  
*Hero*

*Optional Either*

Massive Mouse is a bumbling superhero from California who is trying to make it to the Hollywood big screen. Massive Mouse hasn't landed many acting gigs, so s/he has recently turned to crime fighting. Villains flee the scene of the crime when Massive Mouse appears, but mostly because they don't take him/her seriously. Some villains have reported that they thought they were being filmed for a prank show.

*Any superhero costume with mouse makeup. Optional to have mouse ears and a tail.*

**WAVE  
RUNNER**  
*Villain*

*Optional Female*

Wave Runner is a thief who is notorious for burglarizing businesses and residences along the coast line. She always gets away from the police using a stealth jet ski with a silenced engine. Nobody knows where Wave Runner lives, but they know when she strikes, as she leaves her calling card of a yellow rose.

*Any type of water themed superhero costume. A thick line of eyeliner in a wave shape coming to a point as theatrical makeup. Optional to carry a yellow rose.*

**PRINCESS  
GUSTAVIA**  
*Hero*

*Optional Female*

Princess Gustavia currently resides in Canada but was originally a princess from the planet Xenon. After landing on Earth, she discovered her ability to control metal. She decided to stay on this planet to use her newfound powers to fight crime. The princess can be a tad spoiled at times, as she is used to people waiting on her hand and foot.

*Princess costume. Crown as an optional accessory.*

**There are alternative name tags in the kit with female pictures for Gold, Paradoxo, and Massive Mouse.**
