Host instructions are included in the purchased game.

GAME STRUCTURE: the game is organized into four rounds and is structured as follows:

OPTIONAL PRE-GAME STARTER: these optional pre-game tasks are to be delivered to each guest before the party, or give them to the guests as they arrive. All pre-game materials are optional. They are intended to enhance the build up for the event. These tasks are not vital to solving the mystery. Also, encourage your guests to view the Your Mystery Party guest pre-game website to get them excited about your game (this is highly encouraged).

ROUND ONE: Deliver the round one clue card envelopes as your guests arrive. It is optional to serve cocktails for adults and appetizers.

ROUND TWO: Deliver the round two clue card envelopes. It is optional to break for dinner either before or after this round.

SOLUTION ROUND THREE: Deliver the round three solutions. It is optional to serve coffee/hot cocoa and dessert.

Don't host a party without some type of food/beverage offering - hungry guests are not happy guests.

For further questions, check out our FAQ webpage at <http://mymysteryparty.com/how-to-host-faq/> or our author's blog for more DIY and hosting help: <http://mymysteryparty.com/murder-mystery-blog/>

Example Timeline

7:00 PM: Guests arrive. Take guest photos and serve refreshments. Have the invited guest list available for the players to view as they trickle into the party. Once everybody has arrived, snap a group photo!

7:10 PM: Go over the **players' instructions** for the mystery game (or play the video: [\(link is given in the purchased game\)](#) It's **optional** to have each character introduce themselves to the group (adds ~ 1 min per player).

7:20 PM: The clue cards for round one are handed out, and the game begins. The players mingle and discuss the clues on their clue cards. Motives will start to unfold during this round.

7:50 PM: An optional bonus game is played.

8:05 PM: An optional dinner is served. Snacks can be served throughout the party instead.

8:35 PM: The round two envelopes are handed out, and the players mingle about with their pre-murder clues.

9:00 PM: The victim is revealed, and the investigation of the crime begins. The mystery investigation sheets are handed out, and the players interrogate each other (using the post-murder clues). Each player should interview every player in the game.

9:15 PM: The forensic report is revealed.

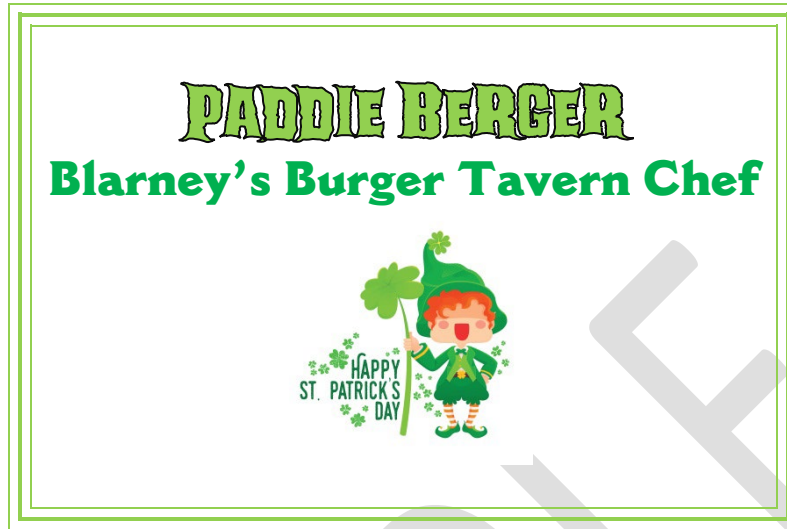

9:30 PM: The investigation sheets (guesses of whodunit) are handed to the host. After the collecting the sheets the players may take turns accusing who they believe did it.

9:45 PM: Dessert and coffee may be served at this time. The round three solutions are handed out to the players. Each player presents their solution, and the murderer confesses at the end. Allow a few minutes for the players to mingle at the end to discuss the mystery.

10:00 PM: Another optional bonus game may be played &/or host an optional awards ceremony!

To shorten the mystery party, omit the bonus games, don't stop for dinner, omit the accusation round, and don't host an awards ceremony. Also, you can shorten the game even further by only having the required players read their solutions (or even just the murderer). If you wish to extend the length of the party, add more bonus games!

NAME TAGS Our suggestion is to print and place into plastic badge holders with pins or clips affixed to the back. However, feel free to simply print and place double-sided tape on the back for your guests to wear. Another option is to laminate the name tags and glue a pin / clip to the back.

Each player will have one in the purchased game.

OPTIONAL PRE-GAME TASKS

character G

OPTIONAL - FOR SOME PRE-PARTY FUN, CONTACT THE FOLLOWING GUESTS BEFORE THE PARTY:

Contact the guest playing Character W and ask why she goes to the Shakin' Shamrock Pub every night. Blarney's Burger Tavern has better food, and you know this because you're the chef!

CONTACT INFO:

Contact the guest playing Character Y and say you'd like to discuss what happened between her and Character P. You heard a rumor that she invoked the 'Federal Lemon Law' on a car sold to her.

CONTACT INFO:

Each player will have one in the purchased game. Names were removed to minimize spoilers.

ROUND ONE CLUE CARDS

Character S – ROUND ONE

CLUES TO REVEAL DURING THIS ROUND

During this round, mingle with other guests to discuss the following information with whomever you choose:

- You are an antisocial bookstore clerk. You are judgmental and a germaphobe - have fun with that!
- Talk to a few people about how noisy the Shakin' Shamrock Pub is during the day during your store hours. You enjoy coming here, and it's fun, but your bookstore is next door. Your customers can't concentrate to read anything! You wouldn't be sad if the pub closed down.
- Talk about how Character K comes to your store and purchases books on how to maximize profits without increasing quality, how to do 'more with less,' and other types of business management books about how to cut corners. She is shady!
- Character T broke up with her boyfriend (her show's producer). Shortly after, he started dating Character B. You don't know if you could live with that scenario! Even after you break up with a boyfriend, you don't like seeing them with someone else! Character B is a nightmare of a person!

PERSONAL CLUES TO CONCEAL

- You would love nothing more than for the Shakin' Shamrock Pub to close for any reason.

Each player will have one in the purchased game. Names removed to minimize spoilers.

ROUND TWO CLUE CARDS

**Each player will have one
in the purchased game.
Names removed to

Character W ROUND TWO

PRE-MURDER CLUES:

 Confront Character T about the blackmail. You are done with it, and she can now do whatever she needs to do about the issue. You cannot afford to pay her any longer, and you're prepared to take your punishment at school when she tells the principal about you stealing the case of Salisbury steaks.

 You've never been on the internet in your life. You're embarrassed to say it, but it's true. You'd like someone to show you how to get into those chatting rooms (or whatever they're called) where you can speak to friends around the globe. Maybe you can also open social media accounts, too. You think it's so neat, and you hear the kids talk about it at school all the time. You are not tech savvy!

POST-MURDER CLUES:

 You were standing around the victim around fifteen to twenty minutes ago. You wanted to talk about some issues but never got the chance.

 You served the victim a drink earlier tonight.

 Some customers served others to help out the overworked bar staff, but you never noticed Chek Flanagan serving anyone.

 You do not know poisons or anything medical. You wouldn't know the first thing about poisons or how to poison someone.
