## SYNOPSIS

The *Mystic Falls Talent Show* is only days away. Talent contestants are traveling from around the world to compete in this awe-inspiring competition. Among many other prizes, the winner earns a spot as a contestant on the hit show *World Talent Search*.

Dr. Black, the contest organizer, has endured mayhem recently. A mischievous soul is trying to sabotage the show! Announcements have been removed from message boards, the show's website and social media accounts have been hacked, and the local newspaper published an article that the contest had been canceled!

Someone doesn't want the show to go on!

You're a contestant and have been working on your talent routine all year. You hope they catch the saboteur! This is where your story begins.

# Host Instructions

**Full instructions are included in the purchased game.**

**GAME STRUCTURE:** the game is organized into rounds and is structured as follows:

**OPTIONAL PRE-GAME STARTER:** these optional pre-game tasks are to be delivered to each guest before the party, or give them to the guests as they arrive. All pre-game materials are optional. They are intended to enhance the build-up for the event. These tasks are not vital to solving the mystery. Also, encourage your guests to view the Your Mystery Party guest pre-game website to get them excited about your game (this is highly- encouraged). There is additional character information on this site, as well as costume suggestions and links to costumes for purchase from various costume companies.

**ROUND ONE:** Make announcement #1, and deliver the round one clue card envelopes as your guests arrive. It is optional to serve appetizers.

**TALENT SHOW ACT ONE:** the first half of the guests will perform 1-2 minute talent routines.

**ROUND TWO:** Make announcement #2, and deliver the round two clue card envelopes. It is optional to break for dinner either before or after this round.

**SOLUTION ROUND THREE:** Deliver the round three solutions. It is optional to serve coffee/hot cocoa and dessert.

**TALENT SHOW ACT TWO:** the second half of the guests will perform 1-2 minute talent routines.

Don't host a party without some type of food/beverage offering - hungry guests are not happy guests.

SAMPLE

# Example Timeline

**6:00 PM:** Guests arrive. Take guest photos and serve refreshments. Have the invited guest list available for the guests to view as they trickle into the party. Once everybody has arrived, snap a group photo!

**6:10 PM:** The host goes over the guest instructions for the mystery game. It is **optional** to have each character stand up and introduce themselves to the group. You can play the game trailer video for an introduction.

**6:20 PM:** The announcement #1 is made and the note from the saboteur is presented to the group. The round one clue cards are handed out, and the game begins. The mystery investigation sheets are handed out, and the guests discuss the clues on their clue cards. Motives will start to unfold during this round.

**6:50 PM:** Act One of the Talent Competition. Half of the guests will compete with 1-2 minute talent routines. (Adjust the time to how many players are in your game. If you need to skim time, put a 1 minute limit on routines.)

**7:05 PM:** An **optional** dinner is served. Snacks can be served throughout the party instead.

**7:35 PM:** Announcement #2 is made and the round two envelopes are handed out. The guests mingle about with clues.

**8:00 PM:** the investigation of the saboteur continues. The discussions be more like interrogations, since now – they know the saboteur is at the event. Each guest should interview every player in the game.

**8:15 PM:** The forensic report is revealed.

**8:30 PM:** The investigation sheets (guesses of whodunit) are turned in to the host. After the sheets are collected, the guests may take turns accusing who they believe did it (accusations are **optional**).

**8:45 PM:** Dessert and hot cocoa (coffee for adults) may be served at this time. The round three solutions are handed out to the guests. Each player presents their solution, and the saboteur confesses at the end. Allow a few minutes for the guests to mingle at the end to discuss the mystery.

**9:00 PM:** Act Two of the Talent Competition.

**9:15 PM:** host an **optional** awards ceremony!

**To shorten the mystery party:** don't stop for dinner, omit the accusation round, and don't host an awards ceremony. Also, you can shorten the game even further by only having the required players read their solutions (or even just the saboteur). Also, limit the talent acts to 1 minute if you are skimming time.

**If you wish to extend the length of the party:** add bonus games! However, we suggest since this is a talent competition to add the bonus games at the end to prevent the second Act from being hosted too late in the evening. Adding bonus games can add up to two more hours of fun party time!

## OPTIONAL PRE-GAME TASK CARDS:

### **CHARACTER S— PRE-GAME TASKS**

**Contact the following talent contestants before the Mystic Falls Talent Show:**

**Contact Character Y** and say you saw her at *Java the Hut Coffee Shop* crying over the spilled milk on the counter. She's pretty sensitive!

**CONTACT INFO:** \_\_\_\_\_

**Contact Character Q** and ask what she is doing for a talent routine at the talent show. You are dying to hear about the other acts in the talent competition.

**CONTACT INFO:** \_\_\_\_\_

**Contact Character B** and say you are a huge fan of her solo album that was just released. You hope it is successful! You are glad she broke away from the band *The Tigers* – they were a bit wild for your tastes.

**CONTACT INFO:** \_\_\_\_\_

**Each player will have a pre-game task card in the purchased game. Names removed and character's made female for ease.**

## **CHARACTER X – ROUND ONE**

**Discuss the following with the other contestants:**

- You attended the Pizza Planet party last night, but don't like pizza. You only ate the desserts.
- You think this event was organized well, but everything should have been done electronically. Dr. Black should have used real plates in the green room's buffet – not paper plates!
- If anyone wastes anything – even a crumb – lecture them about saving the Earth.

**You may conceal this information if you choose:**

- You only eat at the top of the hour. You also have a weird accent that changes all the time – you just do this to be different. You're from Arizona.
- You expressed your feelings to Dr. Black about wasting paper (and thereby trees) for the promotional materials for this talent show. Dr. Black didn't listen to you and wasted a ton of paper on fliers, contestant forms, and programs. All of it could have been electronic!

**Each player will have a round one card in the purchased game. Names removed to minimize spoilers.**

# MYSTERY INVESTIGATION

Investigated by: \_\_\_\_\_

[illegible]

## FINAL GUESS OF THE MYSTIC FALLS TALENT SHOW SABOTEUR:

## **CHARACTER K– ROUND TWO**

**Discuss the following with the other contestants:**

- You might have touched the salt shaker in the green room earlier, but don't remember. You can't remember everything you touch.
- The saboteur might have worn gloves when preparing the note. The person who discovered the note in the green room wasn't wearing gloves, so their prints will be on the note. If there are more fingerprints found on the note – those will belong to the saboteur.
- You were one of the first ones to arrive at the talent show.
- When the saboteur prank-called the talent show organizer, you had exited the auditorium and were outside, practicing your routine.
- When you arrived at the talent show, you might have taken a shortcut through the grass during the walk towards the building.
- You didn't want the talent show to be held today. It conflicts with your fashion show in New York!

**Each player will have a round two card in the purchased game. Names removed to minimize spoilers.**

**There is a round three solution card for each player in the purchased version Names and solution removed.**
