NEIGHBORS AT THE MEETING – ACORN HILL NEIGHBORHOOD

SIRON GINGER

Cat Sitter

Siron Ginger is the cat sitter of Harvest Hollow. If you have a cat, you have Siron's number programmed into your phone. Siron lives for taking care of cats, and everyone who adores cats also adores Siron. Siron has one of the top pet photo accounts on the Instant-Gram social media app and uploads at least 25 photos a day. Siron has ten pet cats of their own and has matching outfits with all of them. Siron swears their cats have formed a community with one ruler and laws for them to follow, but nobody likes to talk about that.

FOGHORN FOWLER

Chicken Farmer

Foghorn Fowler is an intellectual chicken farmer. A dependable and loyal person, Foghorn is a valuable friend to have. *Foghorn's Chicken Coop* supplies the town with fresh chicken, but some find it offensive to have such a place this close to home. The chicken coop is right outside the neighborhood of Acorn Hill. Foghorn sometimes will impersonate a chicken without even realizing it.

TATUM PEPPERS

Blogger

Tatum is brave, loyal, and an influential person to know, as Tatum has a blog with over five million zealous readers. What Tatum writes on the blog *Tatum's Diary* is taken as gold and shared all over the internet. Because of Tatum's ability to make-or-break someone, people tend to steer clear of Tatum and will only interact with the minimal: *hello, good morning, and how's the weather*. Because Tatum has essentially written a negative blog about all of their former 'friends,' Tatum has been trying to make new friends, to no avail.

LOXLEY THURSDAY

Retail Window Display Designer

Loxley designs the storefront window displays at *Blooming Sacks Department Store*. Loxley is incredibly talented at interior design and marketing but isn't the easiest person to get along with at the store. Loxley stares danger in the eye without a care in the world. For some reason, Loxley is one of the luckiest people around, as Lox has dodged lighting attacks, ten-car pileups, and even when a local silverback gorilla escaped from the Harvest Hollow zoo, it passed Loxley on the sidewalk to get to a group of people leaving a gym

TOTS SALSBURY

Cafeteria Worker

Tots Salsbury is the nosy cafeteria line worker at the local junior high school. A prime source of gossip, Tots knows everything about everyone in town by eavesdropping on the kids' conversations in the lunch line. Tots is no stranger to cuttin' a rug, as this food server is always dancing – with or without music playing!

VESPER CHUTNEY

Production Baker

Vesper Chutney is the head baker at the *Huge Harvest Bread Company*. Vesper has created a secret recipe called *Miracle Bread*, as it has the lowest carbohydrates and calories but is utterly delicious. There is a line every morning at the bakery to pick up loaves of Vesper's fresh bread.

A cynic who prefers remaining a bystander in most situations, Vesper doesn't always stay within society's norms. Vesper is quick to highlight your mistakes and faults and slow to accept any blame for any situation.

ROXX RICH

Philanthropist

Roxx Rich is a snobbish inheritor of the Rich estate. The Rich family is one of the world's wealthiest families, and Roxx has recently inherited the top seat of the family's longstanding oil business. Albeit, Roxx has the executives run everything, so s/he can jet-set around the world and attend exclusive parties. Roxx loves to flaunt their wealth and often throws money around – literally.

RORY WISHBONE

Social Media Strategist

An Instant-Gram influencer turned entrepreneur - Rory Wishbone turned their clout into something useful by opening *Wishbone Social Management*. Rory has high-profile clients, such as food processors, farmers, and even D-list celebrities. Rory manages their social media accounts, promising to build brands and increase followers. Rory Wishbone is known for stashing things in secret compartments of their clothes, under hats or wigs, inside of socks, shoes, and even spandex pants worn under regular pants. A bit of a doomsday prepper, Rory is always prepared for any situation.

WREN ROSEMARY

Barista

Wren Rosemary is the assistant manager and head barista at Cornucopia Coffeehouse – the hot spot coffee shop in the middle of Harvest Hollow. A true friend, Wren Rosemary is a hard worker who will do anything for a person in need. During a crisis, Wren will rise to become the backbone of the situation. A born leader, Wren works well with groups and is calm under pressure – even when customers are shouting at Wren over having one too many pumps of sugar-free vanilla in their two-shot, double-blended pumpkin iced coffees.

HARLOW RUBY

Fruit Expert, Edible Displays

Edible Displays is a company in Harvest Hollow that creates excellent presentations of tasty treats such as chocolate fountains, nacho rivers, cookie trees, and fruit towers. Harlow is the fruit department manager who earned their fruit management stripes by running the produce department at Kreuger's Grocery Store for almost a decade. Harlow often loses their train of thought and gets off track, but this fruit designer is exceptionally gifted with the ability to build fruit masterpieces.

CHEK NICOLSON

Banker

Chek Nicolson is an ultra-eccentric banker. Known to be quite frugal, Chek will drive you crazy with meticulously calculations of everything out to the nearest quarter of a cent! If you make a lunch date with Chek and want to avoid the hassle when the bill's delivered, it's best to pick up the check – no pun intended.

BRENNEX YAMBERRY

Tour Guide, Harvest Hollow Caves

Brennex invented hiking, the steam locomotive, and the world wide web. Brennex was also the first person to climb Mount Everest and live on Mars for a spell. At least that's what Brennex claims – albeit the townsfolk know to take what Brennex says with a grain of salt. Brennex is a tour guide for *Harvest Hollow Caves* – 752 acres of limestone caverns with mapped passageways and more than two miles of public access lighting. Brennex runs tours of the sediment, limestone, and crystal formations found inside the caves with a tour of the observation tower, a tourist cabin, and a souvenir shop.

JADE PLUMCORN

Tax Manager

Jade Plumcorn works for TD & Associates, a firm providing complete reviews of individuals' tax returns. Jade is relatively subdued, although Jade is known for making direct or unpleasant comments to others. Jade plays the drums for a local band called *Harvesticity* and is an avid bowler. Even though Jade has an extensive finance background being a tax manager, Jade loves to make betting pools in the neighborhood for everything.

TENNYSON BASTE

FED-UPS Delivery Driver

Tennyson is clumsy and often has a foot-in-their-mouth, as Tenny speaks without a filter or prior thought. Blunt honesty is Tenny's hallmark characteristic, and like many others in the dysfunctional neighborhood of Acorn Hill, this doesn't always sit well with others.

Tennyson is continually being put on blast on social media with videos of Tenny dropping or kicking packages up to the doorstep of the recipients. Tenny claims it was an accident and moves on. At work, Tenny is on the last warning and hopes the neighbors of Acorn Hill, where Tenny lives, will be nice and stop squealing every time a box gets dented!

RUNE GOBBLEGIBLET

Sweet Corn Farmer

Rune operates the *Gobblegiblet Sweet Corn Farm* on the outskirts of town. The farm produces fresh sweet corn using the best mix of soil and high-tech scarecrows to keep the pests away. Rune picks the corn daily and distributes it to markets around the town. Rune knows all there is to know about sweet corn farming, but Rune frequently misunderstands situations and concepts, which leads to off-the-wall comments and awkward moments during chats with others.

MERRITT MAYFLOWER

Party Performer

Loud, annoying, and sometimes rude – Merritt is still the best entertainer in town. From clowns to popular fictional characters, Merritt will dress up and arrive at your party in character with magic, song, and dance. Merritt has an outrageous personality, so it's best to thicken your skin if you'll be hanging around Merritt. Maybe grab a good pair of earplugs if you plan to be around Merritt for an extended amount of time?
