<p><b>RUNE GOBBLEGIBLET</b> <i>Sweet Corn Farmer</i></p> <p><b>REQUIRED PLAYER</b> <b>EITHER GENDER</b></p>	<p>Rune operates the <i>Gobblegiblet Sweet Corn Farm</i> on the outskirts of town. The farm produces fresh sweet corn using the best mix of soil and high-tech scarecrows to keep the pests away. Rune picks the corn daily and distributes it to markets around the town. Rune knows all there is to know about sweet corn farming, but Rune frequently misunderstands situations and concepts, which leads to off-the-wall comments and awkward moments during chats with others.</p>	<p>Farmer costume.</p>
<p><b>LOXLEY THURSDAY</b> <i>Retail Window Display Designer</i></p> <p><b>REQUIRED PLAYER</b> <b>EITHER GENDER</b></p>	<p>Loxley designs the storefront window displays at Blooming Sacks Department Store. Loxley is incredibly talented at interior design and marketing but isn't the easiest person to get along with at the store. Loxley stares danger in the eye without a care in the world. For some reason, Loxley is one of the luckiest people around, as Lox has dodged lighting attacks, ten-car pileups, and even when a local silverback gorilla escaped from the Harvest Hollow zoo, it passed Loxley on the sidewalk to get to a group of people leaving a gym.</p>	<p>Over-accessorized costume that is Thanksgiving-inspired. You are a designer, so try to design yourself for the season.</p>

Vesper has created a secret recipe called <i>Miracle Bread</i>, as it has the lowest carbohydrates and calories but is utterly delicious. There is a line every morning at the bakery to pick up loaves of Vesper's fresh bread.</p> <p>A cynic who prefers remaining a bystander in most situations, Vesper doesn't always stay within society's norms. <p><b>WREN ROSEMARY</b> <i>Barista</i></p> <p><b>REQUIRED PLAYER</b> <b>EITHER GENDER</b></p>	<p>Wren Rosemary is the assistant manager and head barista at Cornucopia Coffeehouse – the hot spot coffee shop in the middle of Harvest Hollow. A true friend, Wren Rosemary is a hard worker who will do anything for a person in need. During a crisis, Wren will rise to become the backbone of the situation. A born leader, Wren works well with groups and is calm under pressure – even when customers are shouting at Wren over having one too many pumps of sugar-free vanilla in their two-shot, double-blended pumpkin Frappuccino's.</p>	<p>Barista uniform. It can be a black t-shirt and green apron – that simple.</p>
<p><b>HARLOW RUBY</b> <i>Fruit Expert, Edible Displays</i></p> <p><b>REQUIRED PLAYER</b> <b>EITHER GENDER</b></p>	<p><i>Edible Displays</i> is a company in Harvest Hollow that creates excellent presentations of tasty treats such as chocolate fountains, nacho rivers, cookie trees, and fruit towers. Harlow is the fruit department manager who earned their fruit management stripes by running the produce department at Kreuger's Grocery Store for almost a decade. Harlow often loses their train of thought and gets off track, but this fruit designer is exceptionally gifted with the ability to build fruit masterpieces.</p>	<p>Fruit-inspired shirt – like a Hawaiian shirt with fruit on it. Or, dress like your favorite fruit!</p>

<p><b>BRENNEX YAMBERRY</b> <i>Tour Guide, Harvest Hollow Caves</i></p> <p><b>REQUIRED PLAYER EITHER GENDER</b></p>	<p>Brennex invented hiking, the steam locomotive, and the world wide web. Brennex was also the first person to climb Mount Everest and live on Mars for a spell. At least that's what Brennex claims – albeit the townsfolk know to take what Brennex says with a grain of salt. Brennex is a tour guide for <i>Harvest Hollow Caves</i> – 752 acres of limestone caverns with mapped passageways and more than two miles of public access lighting. Brennex runs tours of the sediment, limestone, and crystal formations found inside the caves with a site tour of the observation tower, a tourist cabin, and a souvenir shop.</p>	<p>Safari type attire – khaki shirt, floppy hat to keep the cave drippings off you.</p>
<p><b>JADE PLUMCORN</b> <i>Tax Manager</i></p> <p>Optional player – either gender</p>	<p>Jade Plumcorn works for TD &amp; Associates, a firm providing complete reviews of individuals' tax returns. Jade is relatively subdued, although Jade is known for making direct or unpleasant comments to others. Jade plays the drums for a local band called <i>Harvesticity</i> and is an avid bowler. Even though Jade has an extensive finance background being a tax manager, Jade loves to make betting pools in the neighborhood for everything.</p>	<p>Very conservative/nerdy attire. Think of a librarian or computer nerd.</p>
<p><b>RORY WISHBONE</b> <i>Social Media Strategist</i></p> <p>Optional player – either gender</p>	<p>An Instant-Gram influencer turned entrepreneur - Rory Wishbone turned their clout into something useful by opening <i>Wishbone Social Management</i>. Rory has high-profile clients, such as food processors, farmers, and even D-list celebrities. Rory manages their social media accounts, promising to build brands and increase followers.</p> <p>Rory Wishbone is known for stashing things in secret compartments of their clothes, under hats or wigs, inside of socks, shoes, and even spandex pants worn under regular pants. <p><b>SIRON GINGER</b> <i>Cat Sitter</i></p> <p>Optional player – either gender</p>	<p>Siron Ginger is the cat sitter of Harvest Hollow. If you have a cat, you have Siron's number programmed into your phone. Siron lives for taking care of cats, and everyone who adores cats also adores Siron. Siron has one of the top pet photo accounts on the Instant-Gram social media app and uploads at least 25 photos a day. Siron has ten pet cats of their own and has matching outfits with all of them. Siron swears their cats have formed a community with one ruler and laws for them to follow, but nobody likes to talk about that.</p>	<p>Cat-inspired clothing. If you feel up to it – wear a headband with cat ears.</p>
<p><b>TATUM PEPPERS</b> <i>Blogger</i></p> <p>Optional player – either gender</p>	<p>Tatum is brave, loyal, and an influential person to know, as Tatum has a blog with over five million zealous readers. What Tatum writes on the blog <i>Tatum's Diary</i> is taken as gold and shared all over the internet. Because of Tatum's ability to make-or-break someone, people tend to steer clear of Tatum and will only interact with the minimal: <i>hello, good morning, and how's the weather.</i></p> <p>Because Tatum has essentially written a negative blog about all of their former 'friends,' Tatum has been trying to make new friends, to no avail.</p>	<p>Dress trendy and maybe wear a Thanksgiving-inspired hat or scarf.</p>
<p><b>MERRITT MAYFLOWER</b> <i>Party Performer</i></p> <p>Optional player – either gender</p>	<p>Loud, annoying, and sometimes rude – Merritt is still the best entertainer in town. From clowns to popular fictional characters, Merritt will dress up and arrive at your party in character with magic, song, and dance. Merritt has an outrageous personality, so it's best to thicken your skin if you'll be hanging around Merritt. Maybe grab a good pair of earplugs if you plan to be around Merritt for an extended amount of time?</p>	<p>You can be a clown, mime, prince/princess, golden statue, magician – any kind of performer you wish.</p>

<p><b>TENNYSON BASTE</b> <i>FED-UPS Delivery Driver</i></p> <p>Optional player – either gender</p>	<p>Tennyson is clumsy and often has a foot-in-their-mouth, as Tenny speaks without a filter or prior thought. Blunt honesty is Tenny's hallmark characteristic, and like many others in the dysfunctional neighborhood of Acorn Hill, this doesn't always sit well with others.</p> <p>Tennyson is continually being put on blast on social media with videos of Tenny dropping or kicking packages up to the doorstep of the recipients. Tenny claims it was an accident and moves on. At work, Tenny is on the last warning and hopes the neighbors of Acorn Hill, where Tenny lives, will be nice and stop squealing every time a box gets dented!</p>	<p>Any kind of delivery driver uniform.</p>
