Santa Claus

Father of Christmas

The legendary Santa Claus with his rosy cheeks, round belly, and jovial spirit is certainly the one to be around during the holidays. However, his increasing irresponsibility has been threatening a successful Christmas toy run this year! Santa is also known to pull his share of practical jokes on others...so watch your back – literally!

Umami the Elf

Director of the Nice or Naughty List

Umami is the elder elf who holds the prestigious position of Director of the Nice or Naughty List. Umami is all about no-nonsense and doesn't play around much at all. The other elves aren't sure if it is old age or just the stress of the job...but Umami certainly isn't much fun to be around!

Dank the Elf

Director of Toy Production

Dank is the micro-managing Director of Toy Production at Santa's Toy Shop in the North Pole. This is one elf you never want to double cross...or you'll pay the price! Dank typically isn't seen without a group of his minion managers from the North Pole Toy Factory.

Ebbie Smooge

Chief Executive Officer

Ebbie Smooge is the miserly brother of Mrs. Santa Claus. He often visits the North Pole to try to talk his sister and her husband out of wasting money on the creation and distribution of Christmas toys. If you looked up the word 'Grouchy' in the dictionary, Ebbie's picture would be plastered next to it. He often travels with many of his doting assistants.

Foxworthy the Elf

Head Toy Maker

Foxworthy is the head toy maker and hardest working elf in the North Pole. Foxworthy's a little bit country, however, since s/he hails from a tiny toy shop in southern Mississippi. Foxworthy is the one that Santa counts on the most to get the toys of Christmas ready for the big delivery.

Viper the Elf
Sleigh Mechanic

Viper is one of the most shy and reserved elves in the North Pole Sleigh Shop. It's well known throughout the North Pole that Viper doesn't get along fabulously with Dank the Elf. But who truly gets along with Dank anyway?

Pax the Elf
Office Manager

Pax is the office manager of The North Pole, Inc. S/he is a severe penny pincher and all of the elves say s/he's allergic to fun. However, s/he certainly keeps the finances of Christmas in check! Pax is often seen with many of the office employees, as s/he reveres long hours and hard work. If you work for Pax, you won't have much free time on your hands.

Mimsy the Elf
Toy Car Painter

Mimsy the Elf is the calm, cool, and collected elf of the North Pole. Everyone wants to be like Mimsy as whatever Mimsy does, says or wears...it's automatically the 'next hottest thing' to do say and wear! Talk about a trend setting icon!

Ant the Elf
Candy Maker

Ant the Elf is the obsessive candy maker in the North Pole. Even though there are strict deadlines for completion, Ant spends countless hours making perfect batches of candy for the stockings of Christmas. The stocking stuffer department is really tired of waiting on Ant's candy! S/he defines the phrase 'slow as Christmas.'

Dipper the Elf
