# INVITED VAMPIRES

## **ANTAKIA DARKMOON**

*Egyptian Vampire and Heiress*

Antakia was an Egyptian princess many centuries ago, but now, she's a ruthless prankster. She isn't respected by many vampires, as she is known to do anything to get attention. She owns the world's largest vampire bat farm in the forests behind her castle in Egypt and many believe she has plans to take over the world!

## **VIKTOR VAN HELSEN**

*Swedish Half Vampire and Ex-Vampire Hunter*

Viktor Van Helsen is the obsessive and mean-spirited ex-vampire hunter. During a hunt a few years ago, he was scratched by an evil vampire and he morphed into an unprecedented living vampire hybrid. The hunter became the hunted and he loathes what he has become. Openly judgmental, he spreads horrible rumors about the members of the International Vampire Coven in hopes of causing chaos.

## **SELENA STOKER**

*Hungarian Vampire and Werewolf Hunter*

The happy-go-lucky Selena Stoker is the hyperactive werewolf hunter who hails from the Hungary countryside. She is one of the only vampires to truly embrace what she is and loves performing gothic rap songs for the group about current events. She is definitely the one to be around at any social gathering. That is, unless you're a werewolf!

## **LORD ARMOND RUFKIN**

*English Vampire - Werewolf Hybrid and Government Spy*

Lord Armond Rufkin is not a vampire you'd invite to a nice dinner to meet your parents! Void of good manners, his incessant rudeness and shrieking laughter will send even the most tolerant vampire into agony! Some say the werewolf bite he received long ago is what caused him to become a lot less civilized.

## **BELLADONNA SWANSON**

*American Vampire and College Student*

Belladonna Swanson is the newest member of the vampire coven, as she was only bestowed *immortal energy* from her fiancé, Edwin Collin, a few weeks ago. She is slightly nerdy but is the one to get the party started with her innovative dance moves.

## **EDWIN COLLIN**

*American Vampire and Physician*

The overly mysterious Edwin Collin is the only one of the vampires who actually cares what other vampires think. Edwin constantly stresses about others and some find this to be quite bizarre behavior...especially from a vampire.

## **SONIA VISIGOTH**

*Hungarian Vampire and Super Model*

Sonia Visigoth is a vain, arrogant vampire diva. This one-upping undead is the one to avoid at any social gathering! That is, unless you want to hear about how magnificent she is and how she's done everything more and better than you have.

## **VLADIMIR HAWKMOON**

*French Vampire and American Rock Star*

You shouldn't believe anything that Vladimir Hawkmoon says as he's a known compulsive liar! This emotionless undead can look you straight in the eyes and tell you the most outrageous tall tale...and you'll believe it every time. Don't fall victim to this five-hundred-year-old rock star.

## **LEERA VON BLACKRAVEN**

*South American Vampire and Socialite*

Leera Von Blackraven is an intellectual perfectionist that is known to have one too many manners - if you ever thought that was possible. This vampire is one socialite that will cater to your every need! This tends to drive the other vampires batty after a while!

## **MAX MAGNUS**

*American Vampire and Celebrity*

The fiery Max Magnus is a very powerful vampire with severe anger management problems. This is sometimes a scary combination...especially considering his specialty power is the control of fire! Max is a reality television celebrity and is very well-respected...*and feared* in the vampire community.

## **CALPURNIA VON RICHTER**

*Hungarian Vampire and College Professor*

With her ultra-creepy persona...Calpurnia Von Richter is the utterly perfect stereotype of a vampire! The quintessential vampire - she's beautiful, charismatic, intelligent and terrifying to boot! Her students at the college don't have a clue that Calpurnia has to live off the blood of vampire bats!

## **STAT LEBACOURT**

*Roman Vampire Elder of the International Vampire Coven*

Originally hailing from 14th Century Rome, Stat LeBacourt is the Elder of the International Vampire Coven. He is a strong and respected leader who lightens up the room by telling jokes and bursting into song whenever the time's right.
