### SYNOPSIS

***In the last three weeks, vampires around the world have been murdered at an alarming rate in a seemingly random fashion by a fellow vampire known only as the Global Vampire Slayer. Stat LeBacourt, the leader of the International Vampire Coven and the most powerful vampire in the world, has called an emergency meeting of vampires at the Red Haven Cottage in Three Forks, Colorado. You've been summoned and you will be there. This is how your story begins...***

# LIST OF VAMPIRES FOR THE HOST

NAME	BIO	SUGGESTED ATTIRE
<p><b>STAT LEBACOURT</b> <i>Roman Vampire Elder of the International Vampire Coven</i> <b>required</b></p>	<p>Originally hailing from 14<sup>th</sup> Century Rome, Stat LeBacourt is the Elder of the International Vampire Coven. He is a strong and respected leader who lightens up the room by telling jokes and bursting into song whenever the time's right.</p>	<p><i>Gothic and very trendy attire. Fake vampire teeth as an optional prop.</i></p>
<p><b>ANTAKIA DARKMOON</b> <i>Egyptian Vampire and Heiress</i> <b>required</b></p>	<p>Antakia was an Egyptian princess many centuries ago, but now, she's a ruthless prankster. She isn't respected by many vampires, as she is known to do anything to get attention. She owns the world's largest vampire bat farm in the forests behind her castle in Egypt and many believe she has plans to take over the world!</p>	<p><i>Trendy, flashy attire with an Egyptian arm bracelet. A long, black wig as an optional accessory. Fake vampire bats as optional props.</i></p>
<p><b>VIKTOR VAN HELSEN</b> <i>Swedish Half Vampire and Ex-Vampire Hunter</i> <b>required</b></p>	<p>Viktor Van Helsen is the obsessive and mean-spirited ex-vampire hunter. During a hunt a few years ago, he was scratched by an evil vampire and he morphed into an unprecedented living vampire hybrid. The hunter became the hunted and he loathes what he has become. Openly judgmental, he spreads horrible rumors about the members of the International Vampire Coven in hopes of causing chaos.</p>	<p><i>Vampire hunter costume - leather jacket, rugged hat and any type of cliché amulets, garlic, 'holy water', etc. as optional props.</i></p>
<p><b>SELENA STOKER</b> <i>Hungarian Vampire and Werewolf Hunter</i> <b>required</b></p>	<p>The happy-go-lucky Selena Stoker is the hyperactive werewolf hunter who hails from the Hungary countryside. She is one of the only vampires to truly embrace what she is and loves performing gothic rap songs for the group about current events. She is definitely the one to be around at any social gathering. That is, unless you're a werewolf!</p>	<p><i>Vampira costume. Fake vampire teeth and vampire makeup as optional accessories.</i></p>
<p><b>LORD ARMOND RUFKIN</b> <i>English Vampire - Werewolf Hybrid and Government Spy</i> <b>required</b></p>	<p>Lord Armond Rufkin is not a vampire you'd invite to a nice dinner to meet your parents! Void of good manners, his incessant rudeness and shrieking laughter will send even the most tolerant vampire into agony! Some say the werewolf bite he received long ago is what caused him to become a lot less civilized.</p>	<p><i>All black clothing with a trench coat and hat. A patch of fake wolf hair on face and coming out of shirt sleeves as an optional prop.</i></p>
<p><b>BELLADONNA SWANSON</b> <i>American Vampire and College Student</i> <b>required</b></p>	<p>Belladonna Swanson is the newest member of the vampire coven, as she was only bestowed <i>immortal energy</i> from her fiancé, Edwin Collin, a few weeks ago. She is slightly nerdy but is the one to get the party started with her innovative dance moves.</p>	<p><i>Slightly nerdy and slightly gothic attire. Fake vampire teeth as an optional prop.</i></p>
<p><b>EDWIN COLLIN</b> <i>American Vampire and Physician</i> <b>required</b></p>	<p>The overly mysterious Edwin Collin is the only one of the vampires who actually cares what other vampires think. Edwin constantly stresses about others and some find this to be quite bizarre behavior...especially from a vampire.</p>	<p><i>Trendy and slightly gothic attire. Fake vampire teeth as an optional prop.</i></p>

<p><b>SONIA VISIGOTH</b> Hungarian Vampire and Super Model <b>required</b></p>	<p>Sonia Visigoth is a vain, arrogant vampire diva. This one-upping undead is the one to avoid at any social gathering! That is, unless you want to hear about how magnificent she is and how she's done everything more and better than you have.</p>	<p><i>Glamorous all-black and gothic-looking attire.</i></p>
<p><b>VLADIMIR HAWKMOON</b> French Vampire and American Rock Star <b>optional</b></p>	<p>You shouldn't believe anything that Vladimir Hawkmoon says as he's a known compulsive liar! This emotionless undead can look you straight in the eyes and tell you the most outrageous tall tale...and you'll believe it every time. Don't fall victim to this five-hundred-year-old rock star.</p>	<p><i>Rocker costume - all black with black polished fingernails. Optional guitar or microphone (real or fake).</i></p>
<p><b>LEERA VON BLACKRAVEN</b> South American Vampire and Socialite <b>optional</b></p>	<p>Leera Von Blackraven is an intellectual perfectionist that is known to have one too many manners - if you ever thought that was possible. This vampire is one socialite that will cater to your every need! This tends to drive the other vampires batty after a while!</p>	<p><i>Dark-colored Victorian style dress with hair in a bun.</i></p>
<p><b>MAX MAGNUS</b> American Vampire and Celebrity <b>optional</b></p>	<p>The fiery Max Magnus is a very powerful vampire with severe anger management problems. This is sometimes a scary combination...especially considering his specialty power is the control of fire! Max is a reality television celebrity and is very well-respected...and feared in the vampire community.</p>	<p><i>Very trendy attire - gothic attire or very flashy attire.</i></p>
<p><b>CALPURNIA VON RICHTER</b> Hungarian Vampire and College Professor <b>optional</b></p>	<p>With her ultra-creepy persona...Calpurnia Von Richter is the utterly perfect stereotype of a vampire! The quintessential vampire - she's beautiful, charismatic, intelligent and terrifying to boot! Her students at the college don't have a clue that Calpurnia has to live off the blood of vampire bats!</p>	<p><i>Gothic attire and old world literature as optional props.</i></p>

## NAMETAGS

✂ the player nametags are below. There are alternative nametags for gender for the characters designated as 'either' gender. We suggest that you either print and place into plastic name badges (optional), laminate and punch a hole and use a lanyard to wear around the neck (optional) – or the most economical and trouble-free way is to adhere fabric-safe adhesive (i.e. double-sided Scotch tape) to the back once they are printed.

# OPTIONAL PRE-GAME TASKS

The following tasks are completely optional and exclusion of them does not alter the mystery in any way. However, it does lead to pre-game build up and excitement! Cut the task strips (below) out and slip them into envelopes and send about 1 week prior to the party. Be sure to fill in your guests' preferred contact information on the task slips so they will be able to contact each other. The usual method of contact is via email. Write *Not Applicable* / *NA* on contact info blanks for characters that will not be played in your game.

## STAT LEBA COURT

**OPTIONAL** - for some pre-party fun, you can contact (email, phone, etc.) the following vampires in the week leading up to the party:

**Contact** the guest playing **Antakia Darkmoon** and tell her you want to speak with her about the rumor that's going around about her plan for world domination.  
(Contact info: \_\_\_\_\_)

**Contact** the guest playing **Stat Leba Court** and ask her if it is easy to get into the party.  
You've been looking for a good party.  
(Contact info: \_\_\_\_\_)

**Please note:** do not contact any of these guests to alter the mystery. Contacting these guests will lead to excitement about the party and will encourage other guests to read about the other characters and be prepared for an exciting mystery party!

# ROUND ONE CLUES

Cut out the clue cards and slip into envelopes and label with the character and round.

**CHARACTER X – ROUND ONE**

**CLUES TO REVEAL DURING THIS ROUND**

Tell everyone there's no secret to your control of fire, you are just naturally gifted.

- Ask Antakia Darkmoon if she'd like to be partners for world domination. She could really use your powers to control fire.
- If anyone asks, you dine on the blood of snakes.
- Talk about how you were on a reality show called *I'm Watching You* where 12 strangers had to live in a house while they were recorded 24-7 on live television. You were voted out the first week by the other contestants because you kept threatening to suck their blood at night while they slept. You have no idea what the big deal was...they all have plenty of blood and could have given you a little without it being considered 'harmful!' The media portrayed you as a psychopath....*whatever!*
- If anyone inquires about you teaching them how to control fire, say that it's a natural gift and can't be taught.

**PERSONAL CLUES TO CONCEAL**

- You can control fire because you feed upon snakes. You figured this out because [redacted] and developed [redacted] your powers fade. Snake [redacted] power of [redacted] control [redacted] fun with having [redacted]

#### PRE-MURDER:

- Ask Edwin Collin what it was like to grow up with such a famous father, Count Dragula. The Count was a legend.
- Tell everyone that you wish the worst for Antakia and her bat farm. She needs to seriously come up with a new method of feeding her vampire bats...maybe with cattle or something. You have so many scars on your arms, back and neck from her making you feed her bats with your own blood!
- You're a rock star - so perform a rock song for everyone whenever you feel like it!
- Speak to Sonia Visigoth about what her problem is with Antakia Darkmoon. You sense tension between them.
- Speak to Lord Armond Rufkin about the Global Vampire Slayer. You heard he was sent here to investigate Antakia Darkmoon because she plans to take over the world – does the UK have a problem with her saying that?

# EXAMPLE TIME LINE

*The game can be shortened by excluding the optional activities, or lengthened by adding more bonus games.*

7:00 PM: **Guests arrive**, have their pictures made (optional) and receive a refreshment / cocktail for adults. The guests will view the guest instructions and character list while they wait for everybody to arrive. The host should build in at least a 10 minute cushion for guests to arrive late. Hey, it happens.

7:10 PM: The **host reads the guest instructions** to the group. It is optional to have each guest introduce their character in front of the group. Play the video game trailer on Your Mystery Party for your game &/or read the game synopsis from Your Mystery Party to the group to give the premise.

7:20 PM: The **Round One envelopes** are handed out and the game begins. The guests mingle and reveal the clues on their clue cards. It's just like a normal party, but the guests remain in character and gossip about each other's characters. The motives & story lines will start to unveil.

7:50 PM: An **optional bonus game is played**. Bonus activities keep the energy flowing and the guests have a blast. They are optional, but highly suggested. The players must remain in character.

8:05 PM: **Optional to serve dinner**. Dinner can be sit down or buffet – or even as simple as a pizza that's delivered! You can also just serve appetizers/snacks during the party.

8:35 PM: The **Round Two envelopes are handed out** to the guests and pre-murder clues are discussed.

8:55 PM: The victim becomes the victim and the host passes out the investigation sheets to the players. The guests interrogate each other to determine whodunit. The full story is in the player clue cards, but the guests will have to be skilled at asking the right questions of each other, etc.

9:20 PM: **Optional accusation round** – the guests can take turns formally accusing who they think did it, and why. You'll be surprised at how everybody's inner actor will surface during this activity.

9:30 PM: Dessert and coffee (**optional**) are served and the **Round Three envelopes are handed out** to the guests. The guests sit in a circle and one-by-one, the solutions are revealed by each of the guests and the murderer will confess at the conclusion of the round. The murderer is notified in their round three solution card that they are the murderer. They will not know or have any advantage over anybody of knowing whodunit before this round. *\*If you do not opt to have the optional players read their final solutions in front of the group, give them a few minutes to mingle and share their solutions.*

9:50 PM: An **optional bonus game is played**.

10:10 PM: An **optional award ceremony**. [My Mystery Party](#) has award certificates of all kinds that you can choose from in the [Prop Emporium](#). The host can determine who receives the awards while the bonus game is being played. Some awards are traditional and some are snarky but hilarious!
