WITCH	BRIEF BIO	SUGGESTED ATTIRE
<p>ENDORA LUNAR <i>Powers of the Moon</i></p>	<p>Endora Lunar is one of the most positive influences in the 1300th Witch's Coven. She loves to dance and have a great time, and is a true friend. Everyone knows that Endora has a willing ear and will always give sound advice regarding any situation!</p>	<p>White / good witch costume. Fairy wings as optional props.</p>
<p>GENEVIEVE BLIZARTH <i>Powers of Snow</i></p>	<p>Genevieve is a pitiless witch. Like Crystal Wynter, she lacks even a scrap of emotion. No one in the 1300th Witch's Coven has seen Genevieve crack a smile - much less laugh or have any fun. There must be a big tradeoff of personality for the gift of cold powers!</p>	<p>A witch costume decorated with snowflakes. A witch's wand with snowflakes at the tip.</p>
<p>ECOLI CURAL <i>Powers of Healing</i></p>	<p>Ecoli Cural is the dependable witch with the powers of healing. This white mage can cure anything with a flick of her wand. Well, anything besides death – she hasn't quite cracked the revival spell as of yet. Only one warlock in the history of magic has ever been able to cast that – at an exchange for his own life!</p>	<p>A witch costume decorated with medical /first aid supplies. A wand decorated with Band-Aids as an optional prop.</p>
<p>SOL CAULDROTH <i>Powers of the Sun</i></p>	<p>Sol Cauldroth is a mystifying and peculiar witch. Sol's devious and loves to pull pranks on the other witches in the 1300th Witch's Coven. All shenanigans aside, she's a true friend with a sunny disposition – no pun intended!</p>	<p>A witch costume decorated with suns. A wand with the sun at the tip as an optional prop.</p>
<p>TIVONA KLOROFIL <i>Powers of Nature</i></p>	<p>The quirky Tivona is a total blast to be around. However, she has a strange aversion to the word 'it' and has a conniption fit each time she hears the word! After the fit, her speech changes into a different foreign accent! Tivona is full of quirks!</p>	<p>A witch costume decorated with dried leaves and fake insects. A wand decorated with leaves as an optional prop.</p>
<p>VANA LEPIDOPTERA <i>Summoner of Insects</i></p>	<p>The energetic Vana Lepidoptera is one witch who will speak her mind - no matter what. Vana holds nothing back and is brutally honest - even if the truth hurts! Other witches often gossip about where she gets her endless amounts of energy!</p>	<p>A witch costume decorated with fake insects. A witch wand decorated with fake insects as an optional prop.</p>
<p>WILHEMINA DANZETH <i>Powers of Strength</i></p>	<p>If you ever need furniture moved or a jar lid opened, just ask Wilhelmina, as she is one of the strongest witches in the world! However, along with strength comes great responsibility. She's the most ethical witch in the 1300th Witch's Coven.</p>	<p>A witch costume decorated with fake barbells. A broom decorated with barbells as an optional prop.</p>
