STAFF OF THE OCEANSIDE ZOO:

ANDIE MALL

Head Zookeeper

Andie Mall is the best head zookeeper the Oceanside zoo has ever had. Nobody cares more about the animals than Andie! Andie is a great leader, and nothing usually goes wrong at the zoo when Andie's there!

Suggested attire: a safari outfit (khaki shirt and pants), a safari hat with a pair of binoculars as an optional prop.

DR. FUREN FEATHERS

Veterinarian

Dr. Furen Feathers is the caring staff veterinarian of Oceanside Zoo. The doc loves to sing to the animals to help them feel better when they are sick. Sometimes, Dr. Feathers forgets s/he's speaking to humans and sings instead of speaks!

Suggested attire: either a white lab coat or a safari-type outfit with a stethoscope

GROWLY KING

Lion Trainer

You've never met a braver soul than Growley King. This lion trainer lives for the deadly challenge of taking care of the lions at the Oceanside Zoo. Some say this animal lover has been accepted as a member of the lion's pride!

Suggested attire: a safari type outfit (khaki shirt and pants) with a safari hat. A stuffed lion or a plastic steak (lion food) as optional props.

ORAN G. TANG

Ape Trainer

Stop monkeying around! Oh never mind, Oran G. Tang – that's your job at the Oceanside zoo. This ape caretaker is as silly as the monkeys! If a prank is pulled around you, you better question Oran, as s/he probably had something to do with it!

Suggested attire: a safari type outfit (khaki shirt and pants) with a safari hat. A stuffed monkey or a plastic banana (monkey food) as optional props.

ELLO FANTASIA

Elephant Trainer

The friendly elephant trainer, Ello Fantasia, is one with the elephants. This zookeeper has trained the elephants to do tricks just like circus animals! If an animal needs to learn a trick, Ello can help! Rumor has it that Ello was a pet detective before becoming an elephant trainer. A safari type outfit (khaki shirt and pants) with a safari hat.

Suggested attire: a stuffed elephant or a bag of peanuts (elephant food) as optional props.

PAULY W. CRACKERS

Bird Trainer

Pauly Crackers is a highly-skilled bird trainer that takes care of all of the birds at the Oceanside zoo in the avian exhibit. With years of experience at the zoo, this caretaker is a great asset to have around when there's a problem. There's nothing this seasoned animal lover hasn't come across...just ask the parrots!

Suggested attire: a safari type outfit (khaki shirt and pants) with a safari hat. A stuffed parrot sewed on to the left shoulder as an optional prop.

TAUL R. THINU

Giraffe Trainer

It takes a special kind of person to work with large animals like giraffes. Taul Thinu is that sort of person! This trainer is friendly, intelligent, and most of all, great with animals!

Suggested attire: a safari type outfit (khaki shirt and pants) with a safari hat. A stuffed giraffe as an optional prop.

ALET SLITHER

Snake Trainer

Alet Slither is the mysterious snake trainer. This caretaker takes care of all of the reptiles at the Oceanside zoo, which is a creepy job that only a few could handle.
