GENERAL INSTRUCTIONS FOR THE HOST

Thank you for purchasing the **HOLLY O. WENE'S HALLOWEEN CELEBRATION** game from mymysteryparty.com! This mystery is a light-hearted and entertaining mystery that allows the children to step into a different character while trying to solve the entertaining mysteries. The party can be a huge success as long as the guests relax and let the mystery unravel during each round.

The party pack (this document) needs to be printed in advance of the party. Cut out the clues and slip them into envelopes labeled with the appropriate round and character for each round of the party. It is optimal to choose different colored envelopes for each round.

You will also have to prepare scavenger hunt clues and hide them in the designated places prior to the party for the scavenger hunt at the conclusion of Round One and also for the finale scavenger hunt which is set by the boundaries you determine for the event. These clues are not vital to solving the mystery and will appear as an invitation reminder to the characters playing the game.

FULL INSTRUCTIONS IN THE PURCHASED GAME 😊

PREPARE: Build up for the event. These clues are not vital to solving the mystery and will appear as an invitation reminder to the characters playing the game.

ROUND ONE: Serve small snacks. Make sure the 'Guest Instructions' and the 'List of Characters' are available for your guests to read when they arrive. You can also take the time to review these materials with your guests before starting the game. You can either deliver these clues as your guests arrive or you can wait until all guests have arrived and after reading the instructions and answering any questions that arise, you can pass out the envelopes for round one to all of the guests at once. This round will end with an exciting scavenger hunt for more clues to the mysteries.

ROUND TWO: The round two clues will be 'found' during the hunt at the end of Round one. Allow the guests to open these while you serve a light dinner. At this time, the guests can discuss the 5 mysteries.

FINAL SOLUTION / ROUND THREE: Cake and hot chocolate should be served during this round as the guests read their final solutions. Hide the pumpkin cut outs in any area that you designate for the finale scavenger hunt. Be sure to tell your guests their boundaries before the hunt. Depending on their age will depend on how challenging you should hide the pumpkins.

HOW TO PLAY A MYSTERY

guest instructions

Professional actors are great for mysteries but do not worry because you do not have to be a good actor – or an actor at all – to play a mystery party! The only quality that you need to possess is the ability to have a blast!

The game is separated into 3 main rounds with some fun scavenger hunts and party games mixed in throughout the mystery party. During the party you will

Round Two.

From this point forward, you are to remain in character until the mysteries are solved. If you are playing a 'green alien from Mars', then that is who you are until the end! Feel free to play your role however you feel comfortable. Embellish your character's personality if you would like. However, if you are feeling shy, you can just listen in on others' conversations to get your information. Not everyone needs to or should have the spotlight! Have fun!

OPTIONAL PRE-GAME ROUND

Host Instructions: Feel free to use the free party invitations on the mymysteryparty.com website. They can be found on the game page where you purchased this game – just scroll down to the bottom and click on the link to the ‘party invitations.’ The invitations can be printed and sent to your guests via snail mail or you can deliver them in person either before the party or as the guests arrive to the party

This optional pre-game round is to be implemented approximately one week before the party – after the guests have RSVP'd. Only give the pre-game starters to the guests who plan to come to the party. These are not the invitations and they're only used to build pre-game excitement. Please note that this round is not necessary to solve the mystery. The ways to deliver these starters are as follows:

- ✦ Hand-deliver the clues to the guests.
- ✦ Print these clues and send them to your guests via snail mail - USPS.
- ✦ You can hand these to your guests as they arrive before you pass out the round one envelopes.

PRE GAME STARTERS: Slip these into sealed envelopes and label with the appropriate character and round (pre-game) and deliver via one of the methods described above. ✂
