# INVITED GUESTS:

## **ALLIE**

Allie is a prim and proper young lady. In her free time, she loves to read books by the brook to her attentive and loveable cat named Dynamo. A chronic daydreamer, Allie cannot wait to grow up and often finds her imagination running to faraway, mysterious lands.

## **WHITE BUNNY**

If you see a flash of white fur, you've probably spotted White Bunny hopping by! Notorious for nearly being late, this haughty bunny is impatient towards everyone except the Scarlet Queen! White Bunny works as a herald in the Palace Garden and constantly worries about breaking rules of Topsy-Turvy Land. This rabbit's quite fond of his/her head!

## **GOLIM THE CATERPILLAR**

Golim the Caterpillar is a mysterious soul who lives on a giant toadstool in Topsy Turvy Land Woods. Only three-inches high, Golim doesn't take kindly to strangers and becomes enraged if a comment is made about his/her small size. However, this caterpillar is the wisest creature of the forest. The residents of Topsy-Turvy Land know where to go for answers.

## **CHESSER THE CAT**

Chesser the Cat is known as the prankster of the Topsy-Turvy Land Woods. When speaking with Chesser, you'll never know if this cat's serious or playing a practical joke! Chesser lives with the Countess, but rumor has it that s/he is growing tired of the chef throwing pots everywhere.

## **SCARLET QUEEN**

This foul-tempered monarch of Topsy-Turvy Land is feared by every creature. Without haste, she will declare a death sentence at the slightest wrongdoing! She declared a new rule in TopsyTurvy Land of sentence before verdict, so her criminal trials have become irrational and quite unreasonable. Some say the Scarlet King's intimidated by her just like everyone else.

## **CRAZY CAP MAKER**

The Crazy Cap Maker is the eccentric hat maker in Topsy-Turvy Land. This hatter is known for giving fabulous tea parties and keeping everyone entertained with unsolvable riddles and crazy dancing! Crazy Cap Maker's loyalties lie with Allie, and the Silver Queen, and s/he will do anything to protect them.

## **SILVER QUEEN**

The Silver Queen ruled Topsy-Turvy Land peacefully for the last 101 years. Recently, the heinous Scarlet Queen thieved her crown. The residents of Topsy-Turvy Land dream of the day when the Silver Queen will rule the land again, as she is a fair and honorable leader. She refuses to harm anyone!

# **INVITED GUESTS:**

## **SCARLET KING**

The Scarlet King is bashful as compared to the tyrannical Scarlet Queen. While the Queen isn't looking, the king routinely frees creatures held for frivolous executions ordered by the Queen. However, the king seems to enjoy the Queen's ridiculous daily criminal trials and often asks strange questions of the witnesses. Some say the king does this out of boredom!

## **COUNTESS**

The Countess of Topsy-Turvy Land is the Scarlet Queen's cousin and her least favorite person. She lives in a small palace on the edge of the woods with her nutty chef who throws pots and uses entirely too much cinnamon! The Countess is aggressive and doesn't interact with others properly. She's also quite volatile and emotionally unpredictable. Stay clear of the Countess if you know what's good for you!

## **CHEF**

The chef works for the Countess in a small palace on the edge of Topsy-Turvy Land Woods. Chef throws anything s/he can grab during random outbursts about nothing! Chef has an obsession with cinnamon. Chef eats it, drinks it in tea, wears it, and even sprinkles it around the palace!

## **NEEDLE ME & NEEDLE MUM**

Needle Me and Needle Mum are fun-loving twins that reside in the Topsy-Turvy Land Woods. They're mirror images of each other in every way and constantly finish each other's sentences! The twins are fond of playing games. They don't take life seriously and can't help but make odd movements with their bodies to entertain others.

## **BILO THE LIZARD**

Bilo the Lizard is one of the hardest working creatures in all of Topsy Turvy Land. This lizard's skills are taken advantage of by others, as s/he is a kind soul. Bilo can repair, design, and build anything that can be dreamed up!

## **THE TRYPHON**

The Tryphon has an eagle's body and the head of a wolf! This creature is the unemotional tour guide of the Topsy-Turvy Land Woods. If you need to know where anything is located, the Tryphon is the one to ask. That is, if you can find this forest dweller.

## **CAPTAIN FROG**

Captain Frog is the irresponsible security guard for the Countess. Captain Frog stands guard at the palace gates at the palace on the edge of the Topsy-Turvy Land Woods. Often enough, this frog is sleeping on the job.

## **INVITED GUESTS:**

### **MO THE MOUSE**

Mo the Mouse is the best friend of the Crazy Cap Maker. Mo lives in a sugar bowl on the dining room table outside of the hatter's home. Mo is a loyal and protective friend and will do anything to defend the cap maker.

### **JOCK TURTLE**

The Jock Turtle is a melancholy creature and a vigorous athlete. Rumor has it the Jock Turtle isn't doing well in school. This is getting the turtle's spirits down. This shell resident constantly searches for something to cure the blues. Hopefully, one day the Jock Turtle will find it!

### **HALLOWEEN HARE**

The Halloween Hare is a good friend of the Crazy Cap Maker. The Hare loves everything to do with Halloween and always counts down the days until the spooky holiday. Some say the Halloween Hare is loonier than the Crazy Cap Maker! They make a great pair of friends, nevertheless.

### **HEAD CARD GUARD & THE CARD ARMY**

The Head Card Guard is in constant trouble with the Scarlet Queen, as everything this guard does seems to be wrong in the queen's eyes. It's only a matter of time before the Scarlet Queen grows tired of the mistakes and orders the entire Card Army's heads on a silver platter.

### **DARYL DUCK & THE DUCK FAMILY**

Daryl Duck is the head of the Duck Family in Topsy-Turvy Land. The Ducks work as the jurors in the Palace Garden for the Scarlet Queen's daily criminal trials. Lately, the Scarlet Queen is giving a sentence before the verdict. The Duck Family seems to be the most stressed out creatures in the land!

### **THE SCARLET KNAVE**

The Scarlet Knave is the loyal servant of the Scarlet Queen. A dedicated protector of the Queen, this knave is also the caretaker of the Queen's beastly ally – the Greasy Goon.

### **FLOWER**

Flower is a talking flower that lives in the heart of the Topsy-Turvy Land Woods. A parental figure for the creatures of the forest, this flower is quick to tell you when you are not doing something right! Flower has a problem with caterpillars, as they are always trying to munch on his/her leaves!
