<p>FRANCIS BONES Professor, Dark Harbor Prep School</p> <p>REQUIRED</p>	<p>Francis Bones is an introverted history teacher from Dark Harbor Preparatory School in Dreary Hollow. Professor Bones only wears blue items, and there's always bacon at the dinner table. This teacher has a suppressed wild side and will gravitate toward facts in place of intuition or hunches. An independent thinker, Francis is mostly skeptical and sees life as an ongoing chess match. Everything must go Francis's way, or you'll meet who the students refer to as Professor Hyde.</p>	<p><i>Wear blue. You're a professor at a prep school, so stay on the nerdy side. Have an apple and ruler as props. For a virtual game, decorate your backdrop with a chalk/whiteboard.</i></p>	<p>Former colleague</p>
<p>MARION URN Mortician</p> <p>REQUIRED</p>	<p>If you enter the lobby of the Dark Side Funeral Home, you are likely to hear Marion Urn's gloomy cello echoing throughout the building. Marion is deathly afraid of snakes, and relies upon instinct, wanting decisions to be made quickly without debate. Marion is loyal and easy to work with and will make sacrifices for those in need. Working long hours without requiring praise, Marion never sleeps. This mortician can be dishonest at times and is in love with cartoons.</p>	<p><i>Wear black and put dark circles under your eyes. For a virtual game, decorate your space with Gothic items – candelabras, spider webbing, candles.</i></p>	<p>Acquaintance</p>
<p>DORIAN DARK Nurse Practitioner</p> <p>REQUIRED</p>	<p>Shy and reserved, Dorian Dark is a warm, sensitive, and unassuming team player. Dorian is extremely curious, which can be perceived as nosy and meddlesome at times. Super ambitious, this healthcare worker seeks to answer burning questions that remain mysteries. Always wearing unusual glasses, many believe Dorian wears non-prescription lenses as fashion statements.</p>	<p><i>Nurse/doctor attire. If you have scrubs, a lab coat, anything medical – that's great. Make or get some crazy glasses and claim they are prescription.</i></p>	<p>Acquaintance</p>
<p>GABBY GRAVES Pest Control Technician</p> <p>REQUIRED</p>	<p>The narcissistic pest control technician, Gabby Graves, has strong personal values and is resistant to change. This bug zapper seeks inner order and peace, is creative, and has random bouts of melancholy. A bit overbearing and condescending at times, Gabby will use large words that nobody has heard of – albeit many claim Gabby is making them up to look smart.</p>	<p><i>Any type of uniform. Make a name tag that says Graves Pest Control. For a virtual game, decorate your backdrop with bugs of any kind.</i></p>	<p>Hired contractor</p>
<p>CHRIS DUST Crime Scene Cleaner</p> <p>REQUIRED</p>	<p>Chris Dust is a crime scene cleaner who boasts about being an expert lock picker and safecracker. Chris doesn't like to leave the house and is 100% dependent upon facts without feelings. Colleagues consider Chris to be charismatic and idealistic. Chris will skip pleasantries but is generally compassionate, always looking for potential in others. When Chris does get out of the house, s/he is approachable, talkative, and easygoing, but refuses to eat in front of other people. Going out to eat is not a good idea with Chris unless you are ready for an awkward experience.</p>	<p><i>Wear any kind of personal protective equipment. Gloves, masks, etc. as you've just got off work. For a virtual game, decorate your backdrop with crime scene tape.</i></p>	<p>Former friend of the Xavier family</p>

<p>SKULLY BLOODMAN Bomb Squad Technician REQUIRED</p>	<p>Known for a face full of freckles, Skully Bloodman is the clumsy bomb squad technician for the state police. Skully claims to understand and communicate better with animals and can be quite the emotional train wreck. Skully will argue both sides of a point, which is maddening at times. A lover of challenges, Skully is inventive and will test the limits of anything. This bomb diffuser lacks self-control and can be aggressive at times. A blatant germaphobe, Skully brags about being able to hack into personal networks.</p>	<p><i>Black or dark blue windbreaker jacket. Decorate your backdrop with fake bombs (use paper towel rolls and foil to make something resembling pipe bombs).</i></p>	<p>Former student at Dark Harbor Prep</p>
<p>JO REAPER Herpetologist OPTIONAL</p>	<p>This herpetologist works at Princetown University in the Biology Department researching poisonous snake toxins. Jo Reaper is very sarcastic but sensitive. Jo is reliable, organized, and a bit compulsive. Jo will follow the rules and regulations and is practical. This snake researcher will pursue feelings and instincts – especially where research is concerned. Jo was removed from the classroom at the university for being too blunt and rude to students. Jo despised teaching, so the going theory is that Jo did it on purpose as s/he wanted to free up time to devote to the lab to get more grant money. Always sniffing, Jo suffers from seasonal allergies, so this serpent handler is often moody and quiet.</p>	<p><i>If you have anything snake print – do that. If not, a lab coat is good or make a headpiece out of cardboard that looks like a snake. Rubber snakes as optional props.</i></p>	<p>Next door neighbor</p>
<p>LYRIC NIGHTSHADE Real Estate Broker OPTIONAL</p>	<p>Lyric Nightshade’s fingernails are bitten down to nubs. Those closest to Lyric say fingernails get chomped on when Lyric tells tall tales. As a real estate broker, being a compulsive liar is quite concerning, as brokers should be honest when their clients are making substantial investments with properties. Lyric is young but wise beyond the years and fun to be around. Gregarious, this broker lives for the here and now. A great problem solver, Lyric can juggle many tasks at once and is social and chatty.</p>	<p><i>Brightly-colored suit of any kind. You’re trying to impress.</i></p>	<p>Leota hired to sell her mansion.</p>
<p>RUE RICIN Construction Manager OPTIONAL</p>	<p>With a booming construction business, Rue Ricin is one of the wealthiest people in town. Rue is bored of managing construction projects and would give it all up for a chance at becoming a rock star. However, Rue has a vacant personality, lacking any hint of emotional flux. Orderly and structured, Rue is predictable, stubborn, and results-oriented. Known for impeccable productivity, Rue has great inner harmony and never exudes a rollercoaster of emotions. For that reason, Rue is a great mediator. A constant sweater, Rue is often seen wiping down with a towel and has a habit of picking at his/her teeth. A tad unsociable, Rue can be quite the pessimist and mumbles sometimes to avoid offending people.</p>	<p><i>Construction hat (yellow/white/orange plastic) and a white tank top. Tool belt as an optional prop.</i></p>	<p>Leota hired to build new home.</p>

<p>ELLIS ASHES Gravedigger</p> <p>OPTIONAL</p>	<p>Ellis Ashes took up with the family business of digging graves at Iron Gate Cemetery. A constant lip biter, Ellis was a former petty criminal. You'd never know that by meeting Ellis, as s/he is one of the most intelligent and friendly people in town. Ellis is open to change and lives in harmony with others. Gracious, thoughtful, and caring, Ellis lives to please others and is an accomplished host. When Ellis walks into a room, the mood is lightened with Ellis's cheerful demeanor. Albeit, this cemetery worker can get restless, impulsive, and this causes Ellis to make poor decisions.</p>	<p><i>You've just come from work, so you are dirty. Put brown smudges all over you. Wear something casual.</i></p>	<p>Former student at Dark Harbor Prep</p>
